Anne-Marie Slaughter, 2015-09-29 Includes a new afterword by the author Slaughter's gift for illuminating large issues through everyday human stories is what makes this book so necessary for anyone who wants to be both a leader at work and a fully engaged parent at home Arianna Huffington NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WASHINGTON POST NPR AND THE ECONOMIST When Anne Marie Slaughter accepted her dream job as the first female director of policy planning at the U S State Department in 2009 she was confident she could juggle the demands of her position in Washington D C with the responsibilities of her family life in suburban New Jersey Her husband and two young sons encouraged her to pursue the job she had a tremendously supportive boss Secretary of State Hillary Clinton and she had been moving up on a high profile career track since law school But then life intervened Parenting needs caused her to make a decision to leave the State Department and return to an academic career that gave her more time for her family The reactions to her choice to leave Washington because of her kids led her to question the feminist narrative she grew up with Her subsequent article for The Atlantic Why Women Still Can't Have It All created a firestorm sparked intense national debate and became one of the most read pieces in the magazine's history Since that time Anne Marie Slaughter has pushed forward breaking free of her long standing assumptions about work life and family Though many solutions have been proposed for how women can continue to break the glass ceiling or rise above the motherhood penalty women at the top and the bottom of the income scale are further and further apart Now in her refreshing and forthright voice Anne Marie Slaughter returns with her vision for what true equality between men and women really means and how we can get there She uncovers the missing piece of the puzzle presenting a new focus that can reunite the women's movement and provide a common banner under which both men and women can advance and thrive With moving personal stories individual action plans and a broad outline for change Anne Marie Slaughter reveals a future in which all of us can finally finish the business of equality for women and men work and family I'm confident that you will be left with Anne Marie's hope and optimism that we can change our points of view and policies so that both men and women can fully participate in their families and use their full talents on the job Hillary Rodham Clinton Unfinished Business Melanie Smith, 2025-07-30 Melanie Smith knows from experience how complex and immovable grief and trauma can feel She used that experience to fuel her research into the issues of trauma loss and finding happiness which led to the creation of Unfinished Business an eight step actionable process that will help you overcome heartbreak emotional wounds limiting beliefs old patterns and unconscious habits as

well as the negative self talk self judgment overwhelm and misalignment that have held you back from succeeding in love relationships business finance and health Grounded in a scientifically supported and solution based methodology this system has already transformed people s lives globally through her one on one and group coaching sessions now Melanie has put it on the page so everyone can access it and change their lives once and for all With her guidance you will clear out the heartbreak trauma and grief of your past and make space for joy hope and possibility giving you the self awareness clarity of vision and courage to create the purpose filled life that was meant for you **Unfinished Business** Ingloth Cooper,2004

Unfinished Business by Ingloth Cooper released on Jun 24 2004 is available now for purchase **Unfinished Business** Haruo Iguchi,2020-03-23 Ayukawa Yoshisuke 1880 1967 was the founder of the Nissan conglomerate and the leader of the Manchuria Industrial Development Corporation one of the linchpins of Imperial Japan s efforts to economically exploit its overseas dependencies Despite his close association with the Japanese government from the 1920s to the 1950s Ayukawa was a proponent of free trade and global economic interdependence He sought to lessen state control of Japan s economy by trying to attract foreign especially American capital and technology in the years surrounding World War II In the postwar era in particular Ayukawa actively pushed the growth of small and medium sized firms yet his efforts were ultimately unsuccessful In *Unfinished Business* through exploring the reasons for Ayukawa s failure Haruo Iguchi illuminates many of the economic problems of today s Japan **Unfinished Business** Lorraine Lush,Frances E. Robinson,2005-01-01

Unfinished Business is an informative spiritual journey through the arduous process of building a dream growing it beyond your wildest dreams watching in impotence while outside forces wrench it from your grasp and surviving to build again

Unfinished Business Roger Douglas,1993 Sir Roger Douglas discusses the economic policies of his term as minister of finance in the fourth Labour government and the changes that occurred then He argues that the reforms did not go far enough and offers a vision for future developments in economic strategy The emphasis is on personal choice and responsibility He advances theories about how best to help the disadvantaged and argues for policies that he believes would make the nation more prosperous **Unfinished Business** Clint Bolick,1990 Offers a bold vision of individual

empowerment free from the rhetoric urging equality of results **Unfinished Business** Nandini

Vijayaraghavan,2023-01-23 *Unfinished Business* is a chronicle of contemporary Indian corporate history narrated through the professional trajectories of four high profile businessmen Anil Ambani Naresh Goyal V G Siddhartha and Vijay Mallya By no means unique in their proclivity for debt and penchant for politics these four men belonged to a rarefied club of entrepreneurs who could raise a sizeable quantum of financing with ease despite their businesses not generating adequate cash flows and or possessing sufficient collateral So what competitive advantage s did this guild of Indian entrepreneurs have What caused their enterprises to struggle while other similar organizations whose CEOs shared these attributes survived and even flourished How did the Indian business ecosystem regulatory norms lenders underwriting practices and investor due

diligence influence the organizations helmed by this quartet Following these four entrepreneurs careers and professional decisions *Unfinished Business* throws light on the evolution of Indian capitalism during the first two decades of the twenty first century set against the backdrop of a dynamic political regulatory and business climate in India And with great insight clarity and analysis Nandini Vijayaraghavan explores the takeaways for entrepreneurs regulators lenders and investors in this compelling illuminating read *Unfinished Business* Michael J. Klarman,2007-10-01 Michael J Klarman author of *From Jim Crow to Civil Rights* which won the prestigious Bancroft Prize in American History is one of the leading authorities on the history of civil rights law in the United States In *Unfinished Business* he illuminates the course of racial equality in America revealing that we have made less progress than we like to think Indeed African Americans have had to fight for everything they have achieved Klarman highlights a variety of social and political factors that have influenced the path of racial progress wars migrations urbanization shifting political coalitions and he looks in particular at the contributions of law and of court decisions to American equality The author argues that court decisions tend to reflect the racial mores of the times which is why the Supreme Court has not been a heroic defender of the rights of racial minorities And even when the Court has promoted progressive racial change its decisions have often been unenforced in part because severely oppressed groups rarely have the resources necessary to force the issue Klarman also sheds light on the North South dynamic and how it has influenced racial progress arguing that as southerners have become more anxious about outside challenges to their system of white supremacy they have acted in ways that eventually undermined that system For example as southern slave owners demanded greater guarantees for slavery from the federal government they alienated northerners who came to fear a slave power conspiracy that would interfere with their liberties *Unfinished Business* offers an invaluable succinct account of racial equality and civil rights throughout American history *Unfinished Business* Judith Hamera,2017-10-02 *Unfinished Business* argues that U S deindustrialization cannot be separated from race specifically from choreographed movements of African Americans that represent or resist normative or aberrant relationships to work and capital in transitional times

Unfinished Business John Houseman,1988 *Unfinished Business* Barry Hines,1983 ***Unfinished Business*** ,2012

Unfinished Business Mia Kerick,2013-03-15 Sequel to *Beggars and Choosers* After struggling through dishonesty betrayal and the kind of pasts they d like to leave behind them Brett Taylor and Cory Butana are back together and starting to build a new life Brett has a good job Cory has started college But not everything goes the way they planned Still recovering from the emotional and physical repercussions of a brutal assault Cory finds himself trapped by his own insecurity and fear unable to believe that his heart is safe with Brett or that his body is safe without him On the other hand Brett has total faith in Cory s love and commitment even though he still struggles with his own ghosts With girls flocking to Brett s side and a wannabe lover lab partner feeding his doubts Cory can t find a way to tell Brett about the unfinished business that haunts him If Brett wants to save him he ll have to see through Cory s deception in time *Unfinished Business* Samuel

Kriek,2009 **Unfinished Business** Mignon Brown,2011-08-05 This idea of mine to write a book has long been on the back burner of my mind I think of this book as life lessons learned from my experiences some good some not so good What seems to prove true is that love and faith will get us through many a challenge It was easier to present this work in a journal like format straight forward and truthful I have been blessed with the passage of enough time to see the humor in some of my experiences Detroit is a good place to be from I grew up in Detroit when it was a beautiful lively and interesting city I am a product of its educational system Kindergarten through Wayne State University Masters Program Motown flourished and so did I I was there until the beginning of the end After losing my brother stepfather and husband in Detroit I escaped to Los Angeles California I continued my career as a special education teacher in Los Angeles and later in Las Vegas In 2002 I retired after 40 years of teaching Now in 2011 at 71 years of age I have found a new passion *Unfinished Business* Nadine Shelby Schramm,2015-07-27 The sixth of eleven children author Nadine Shelby Schramm was born in Charleston Arkansas just as the Great Depression of the 1930s It was a very different and difficult life In *Unfinished Business* she shares the story of her journey from that small town in Arkansas to becoming a business woman in New York City In this memoir she narrates how as a youngster of ten she plowed the fields behind two 1 600 pound horses with her blind father at her side She learned at that early age one can accomplish anything with will power Despite many challenges she endured in adulthood including abuse at the hands of her first husband she started four successful businesses including Budd Leasing one of the leading theatrical trucking companies in the United States *Unfinished Business* shares the lows and the highs of Schramms life and the lessons learned throughout It communicates the message that one can rise above their own self doubt make changes and achieve their lifes dreams *Unfinished Business* Maggie Scarf,1980
