Past Sense — Studies in Medieval and Early Modern European History Constantin Fasolt,2014-04-03 The twenty studies collected in this volume focus on the transition from the Middle Ages to the modern world The method leads from technical investigations on William Durant the Younger ca 1266 1330 and Hermann Conring 1606 1681 through reflection on the nature of historical knowledge to a break with historicism an affirmation of anachronism and a broad perspective on the history of Europe The introduction explains when and why these studies were written and places them in the context of contemporary historical thinking by drawing on Wittgenstein s Philosophical Investigations This book will appeal to historians with an interest in historical theory historians of late medieval and early modern Europe and students looking for the meaning of history

International Congress on Medieval Studies ,1987 *A Short History of European Law* Tamar Herzog,2018-01-08 A Short History of European Law brings to life 2 500 years of legal history tying current norms to the circumstances of their conception Tamar Herzog describes how successive legal systems built upon one another from ancient times through the European Union Roman law formed the backbone of each configuration though the way it was used and reshaped varied dramatically from one century and place to the next Only by considering Continental civil law and English common law together do we see how they drew from and enriched this shared tradition A remarkable achievement sure to become a go to text for scholars and students alike A must read for anyone eager to understand the origins of core legal concepts and institution like due process and rule of law that profoundly shape the societies in which we live today Amalia D Kessler Stanford University A fundamental and timely contribution to the understanding of Europe as seen through its legal systems Herzog masterfully shows the profound unity of legal thinking and practices across the Continent and in England Federico Varese Oxford University Required reading for Americanists North and South and indeed for all of us inhabiting a postcolonial world deeply marked by the millennia of legal imaginings whose dynamic transformations it so lucidly charts David Nirenberg University of Chicago *Out of the Cloister: Scholastic Exegesis of the Song of Songs, 1100-1250* Suzanne LaVere,2016-03-11 The Song of Songs was one of the most frequently interpreted biblical books of the Middle Ages Most scholarly studies concentrate on monastic interpretations of the text which tend to be contemplative in nature In Out of the Cloister Suzanne LaVere reveals a particularly scholastic strain of Song of Songs exegesis in which cathedral school masters and mendicants in and around 12th and 13th century Paris read the text as Christ exhorting the Church and clergy to lead an active life of preaching instruction conversion and reform This new interpretation of the Song of Songs both reflected and influenced an era of far reaching Church reform and offered a program for secular clergy to combat heresy and apathy among the laity **The Blackwell Companion to Religion and Violence** Andrew R. Murphy,2011-04-20 The timely Blackwell Companion to Religion and Violence brings together an international interdisciplinary group of scholars who provide a coherent state of the art overview of the complex relationships between religion and violence This companion tackles one of the most important topics in the field of Religion in the twenty first century pulling together a unique collection of cutting edge work A focused collection of high quality scholarship provides readers with a state of the art account of the latest work in this field The contributors are broad ranging international and interdisciplinary and include historians political scientists religious studies scholars sociologists anthropologists theologians scholars of women s and gender studies and communication **101 Questions & Answers on Popes and the Papacy** Christopher M. Bellitto,2008 This fascinating readable book answers almost every possible question that comes up whenever there is a papal transition questions that haven t been posed for some time because of the long reign of John Paul II And with new popes often advanced in years these questions remain of perpetual interest and importance Our guide to addressing these questions is church

historian Dr Christopher Bellitto a frequent media resource and public lecturer who enlightens audiences about church history and Catholicism today With the insights of a scholar and the voice of an entertaining professor he tackles even the thorniest questions How did the popes justify their authority I know that Martin Luther comes along at some point and says that the papacy is the Antichrist Why did he say this Was Pius XII really Hitler s pope Is the pope the closest person to God on earth Was there really a Pope Joan Do I have to believe every word the pope says From such details as Why do cardinals wear red to such sweeping matters as What is papal infallibility Dr Bellitto walks the reader through 2 000 years of the papacy and the men named to be the Vicar of Christ Book jacket

A Renaissance of Conflicts Victoria University (Toronto, Ont.). Centre for Reformation and Renaissance Studies,2004 The essays in this collection explore conflict and continuity across the spectrum of political legal and spiritual traditions from late medieval Umbria and Tuscany to sixteenth and seventeenth century Venice Rome and Castile They point to a shared tradition of dispute and resolution in both ecclesiastical spiritual and state secular matters whether of private conscience or public policy Continuity of ideals problems and modes of resolution suggest that breaks in legal political or religious ideals and behavior were not as frequent or sharp as historians have argued These continuities emerge from common methodological approaches grounded in close careful reading of key texts and their polyvalent terms Whether those were the terms of civil or canon law spirituality or astrology each author has had to grapple with multiple possibilities contexts customs and practices that reveal the shifts and continuities in their possible meanings Amazon com
