going to be eight guys looking to play a little golf eight guys looking for a little love and eight guys trying to figure out who was going to be able to drink the most The thing is I thought I had it all wrapped up before we had even left Canada The eight of us who came to party were as follows Theodore the farmer who was supposed to be our designated driver for the week but he became our designated drunk We had Pudden who was the only sensible one in the bunch His brother in law Kevin also came I think he came well they told me he came My best friend Stewart came but all he wanted to do was fight me for all the girlies that we encountered Johnny my twin brother who could do no wrong also came Of course we had gullible Paulie who acted like an eight year old all the time Then there was Buddy who was easily tricked into doing just about anything that we wanted him to do And then there was me I m pretty sure that all I did the whole trip was drink and listen to some loud rock and roll music As you come across each little incident you will likely figure out that it was not all about me It s just that I had to write it that way to protect all the guilty participants
