Research Policy and Practice appears at a critical time when promising juvenile justice reforms are underway in so many jurisdictions across the United States. Sherman and Jacobs and their impressive array of expert authors fill a significant gap in the literature making the current body of juvenile justice research and experience accessible to policy makers, researchers, and funders and doing so through a practical and positive lens. Patrick McCarthy, President and Chief Executive Officer, Annie E. Casey Foundation, Baltimore, MD. Most people have narrow views of what it means to be a delinquent youth. In *Juvenile Justice Advancing Research Policy and Practice*, Sherman and Jacobs have diligently collected essays from the top experts in the juvenile justice field who tell an empirically based and powerful narrative of who is really in the delinquency system. As this book makes clear, until we ask and answer the right questions, we will remain unable to help the youth most in need. Alexander Busansky, President, The National Council on Crime and Delinquency, Oakland, CA. A comprehensive reference presenting a rehabilitative, youth and community centered vision of juvenile justice. *Juvenile Justice Advancing Research Policy and Practice* brings together experts in juvenile justice, child development, and public health to explore the intersections between juvenile justice and needed development of programs and policies that look out for the health and well being of the youth who enter this system. This timely book provides a usable framework for imagining juvenile justice systems that emphasize the welfare of juveniles achieved primarily through connections within their communities. A must read for professionals working in juvenile courts and within juvenile justice agencies. *Juvenile Justice Advancing Research Policy and Practice* reflects both the considerable advances and the challenges currently evident in the juvenile justice system with an emphasis on the development and implementation of policies that can succeed in building a new generation of educated young people able to embrace their potential and build successful futures. *Juvenile Delinquency* Ralph A. Weisheit, Robert G. Culbertson, 1990. This revised text captures, summarizes more than fifty years of research, presents it in a manner that gives students a comprehensive understanding of delinquency, juvenile justice.
