Understanding Reality Television Routledge 2004 Paperback:

Framing Celebrity Su Holmes, Sean Redmond, 2012-11-12 Celebrity culture has a pervasive presence in our everyday lives perhaps more so than ever before It shapes not simply the production and consumption of media content but also the social values through which we experience the world This collection analyses this phenomenon bringing together essays which explore celebrity across a range of media cultural and political contexts The authors investigate topics such as the intimacy of fame political celebrity stardom in American quality television Sarah Jessica Parker celebrity reality TV I m a Celebrity Get Me Out of Here the circulation of the porn star the gallery film David Beckham the concept of cartoon celebrity The Simpsons fandom and celebrity k d lang NSYNC celebrity in the tabloid press celebrity magazines heat Celebrity Skins the fame of the serial killer and narratives of mental illness in celebrity culture The collection is organized into four themed sections Fame Now broadly examines the contemporary contours of fame as they course through new media sites such as reality TV and the internet and different social cultural and political spaces Fame Body attempts to situate the star or celebrity body at the centre of the production circulation and consumption of contemporary fame Fame Simulation considers the increasingly strained relationship between celebrity and artifice and authenticity Fame Damage looks at the way the representation of fame is bound up with auto destructive tendencies or dissolution

The Documentary Film Book Brian Winston, 2019-07-25 Powerfully posing questions of ethics ideology authorship and form documentary film has never been more popular than it is today Edited by one of the leading British authorities in the field The Documentary Film Book is an essential guide to current thinking on documentary film In a series of fascinating essays key international experts discuss the theory of documentary outline current understandings of its history from pre Flaherty to the post Griersonian world of digital i Docs survey documentary production from Africa to Europe and from the Americas to Asia consider documentaries by marginalised minority communities and assess its contribution to other disciplines and arts Brought together here in one volume these scholars offer compelling evidence as to why over the last few decades documentary has come to the centre of screen studies

The Triumph of Reality TV Leigh H. Edwards, 2013-01-09 This book provides an up to date account of how reality TV has developed why it has become the most popular genre on television today and how the explosion in reality TV signals new developments in American media culture The reasons behind reality TV s continued popularity go beyond the sensationalism and low production cost of these programs there is much more to the genre s continued success than just escapism or guilty pleasure TV The Triumph of Reality TV The Revolution in American Television identifies and explores five key media trends reality TV has used to continually draw in viewers and ensure success These media trends include innovations in storytelling making emotional appeals to viewers and applying content from television to other media such as films music albums webisodes online games and smart phone apps Author Leigh H Edwards also analyzes how reality TV shows target themes of social conflict such as changing ideas of the American family and address

common anxieties and tensions in American society such as gender race class and economic struggle A wide variety of reality shows including American Idol Celebrity Rehab Jackass Run s House Survivor and The Hills are profiled An appealing read for students scholars and general readers alike this book provides fascinating insights into the complexities of a seemingly simplistic form of mass entertainment

Idolized Katherine Meizel,2011-02-16 The television programme American Idol provides a stage where the politics of national regional ethnic and religious identity are performed for millions of viewers Meizel demonstrates that commercial music and the music industry are not simply forces to be criticised or resisted but critical sites for redefining American culture

Programming Reality Zoë Druick,Aspa Kotsopoulos,2008-08-01 Programming Reality Perspectives on English Canadian Television the first anthology dedicated to analyses of Canadian television content is a collection of original interdisciplinary articles combining textual analysis and political economy of communications It explores the television that has thrived in the Canadian regulatory and cultural context namely programs that straddle the border between reality and fiction or even blur it The conceptual basis of this collection is the hybrid nature of television fare the widely theorized notion that all mediations of reality involve fiction in the form of narrative or symbolic shaping Each of the contributions here is a reminder too of the significant relationship of television to nation building in Canada to the imaginative work involved in thinking through the relations that constitute nations citizens and communities The collection focuses on English language Canadian television because the imperatives guiding its texts are markedly different from those pertaining to their French language counterparts The collection therefore develops a nuance of perspective on the cultural and political economic specificities that inform the imaginative work of television production for English Canada

Re-viewing Television History Helen Wheatley,2007-10-24 Written by leading scholars in the field this book is an internationally relevant cutting edge reassessment of both current methods and practices in television historiography and of assumptions about television history itself The book focuses on debates about the canon on institutions texts and audiences and the interconnections between these distinct areas Through discussions and case studies it covers a wide selection from television s approaches to immigration and natural history to economic histories of television the framing of television aesthetics and problems in constructing a television canon Each section opens with the editor s overview of the historical research and an appendix details the main research resources for television historians in the UK

Reading 24 Steven Peacock,2007-02-15 When 24 exploded onto TV screens in 2001 Time magazine called it one of the Best Television Events of the Decade This book brings together critical discussions of 24 from a wide range of perspectives It looks in detail at the creative and controversial features of 24

Television Emma Carlson Berne,2008 Pro con articles on how television affects people and society

Television Sitcom Brett Mills,2005-11-17 Despite its global reach longstanding popularity and immense profitability sitcom has been repeatedly neglected in theoretical work on television and media This book demonstrates that this lack needs to be sorely addressed by dragging analysis of sitcom up to date with a wealth of

contemporary examples a range of new approaches to the genre and examination of the roles sitcom and comedy play within society The book takes as its starting point the variety of ways in which sitcom has traditionally been explored A chapter on genre examines the history and development of sitcom and the institutional structures which produce it There is also analysis of differences between sitcoms produced in a range of countries and what happens when a programme gets sold abroad and remade A chapter on representation explores the debates about the ways in which sitcom chooses who to make jokes about and why and whether this matters And a chapter on performance argues that this is a vital and underexplored aspect of sitcom s funniness and interrogates the ways in which comic actors make their performance funny With specific case studies on Will and Grace The Office and The Cosby Show as well as analysis of a broad range of contemporary and historical examples throughout this book will be of interest to students of sitcom and comedy as well as those of television and popular culture

The Office Ben Walters, 2005-12 Created by Ricky Gervais and Stephen Merchant The Office is arguably the first British TV masterpiece of the new century Gervais stars as David Brent branch manager of a paper merchants located on a trading estate in the soulless confines of Slough south east England A mock fly on the wall documentary which is by turns satirical bitter and poignant The Office first aired in 2001 finding a solid cult audience But its second series and the subsequent two part Christmas special found huge mainstream popularity when it was released on DVD The Office became the UK s fastest and biggest selling television show ever in that medium Gervais is grotesquely captivating as the smug insecure unreconstructed piglet of a manager whose inflated ego is belied by his incomprehensible jargon His lieutenant and sidekick Gareth Mackenzie Crook is a gormless fantasist with comparable though military delusions of grandeur Together they turn the workplace into a surreal circus worthy of Sartre to the disbelief or bafflement of their co workers notably Tim Martin Freeman the cynical sales clerk and Dawn Lucy Davis the wistful receptionist Ben Walters traces the roots of The Office in the history of British comedy David Brent is heir to a whole line of pathetic ogres including Albert Steptoe Basil Fawlty and Alan Partridge Drawing on extensive interviews with Gervais and Merchant conducted specially for this book Walters explores how the show came to be made what it has to say about contemporary Britain and why it achieved such spectacular and international success

Film and Television Stardom Kylo-Patrick R. Hart, 2008 Film and Television Stardom examines film and television stars as a collectively complex intriguing social phenomenon from the early twentieth century to the present day Its range of topics includes but is certainly not limited to the emergence and historical development of the star system silent film stardom stardom and media spectatorship stardom and consumption stardom and the paparazzi reality television oestars stars in the news and studies of individual stars In addition to providing numerous new insights and approaches to exploring the phenomenon of film stardom past and present its various chapters significantly expand the comparatively nascent body of academic writing that has been devoted to investigating the historical and theoretical aspects of television stardom by focusing on both traditional television programming genres and the more recent

phenomenon of reality television programming The numerous stars addressed in this book including Roseanne Barr Gertrude Berg Ingrid Bergman Cher Sacha Baron Cohen Bette Davis Jodie Foster Jerry Lewis Carmen Miranda Anita Page Jessica Simpson and James Stewart are analyzed in relation to noteworthy performances in a variety of well known films including The Accused The Broadway Melody Cinderella Citizen Kane Dark Victory The Man from Laramie Persona and Singin' in the Rain and television programs including Da Ali G Show The Apprentice The Goldbergs Roseanne and Survivor *Library & Information Science Abstracts*, 2005

Narrating Media History Michael Bailey, 2009 Explores British media history as a series of competing narratives This collection identifies and contrasts the various interrelationships between media histories and also encourages dialogue between different historical political and theoretical perspectives including liberalism feminism populism nationalism and libertarianism *Understanding Reality Television* Su Holmes, Deborah Jermyn, 2004 Tracing the history of reality TV from Candid Camera to The Osbournes *Understanding Reality Television* examines a range of programmes which claim to depict real life *American Book Publishing Record*, 2005
