Trumping Truth Salvador Jiménez Murguía, 2019-06-27 When Kellyanne Conway counselor to President Trump coined the phrase alternative facts in January 2017 objectivity in public discourse the long held belief in a more or less agreed upon set of verifiable truths went into a tailspin The use of alternative facts and narratives quickly became the go to rhetorical strategy especially among Trump's administration and base Rebuttals based on fact checking and hard data were demoted to mere choices in a media bazaar where consumers are free to source their own versions of reality This volume explores the social and political disruption accompanying the loss of faith in objectivity along with reflections on the disregard for truth and honesty both within the Trump Administration and in contemporary popular culture [The Truth About Immigration](#)

Zeke Hernandez, 2024-06-04 The go to book on immigration fact based comprehensive and nonpartisan Immigration is one of the most controversial topics in the United States and everywhere else Pundits politicians and the public usually depict immigrants either as villains who pose a threat to our economy culture and safety or as victims needy outsiders whom we must help at our own cost if necessary But the data clearly debunk both narratives From jobs investment and innovation to cultural vitality and national security more immigration has an overwhelmingly positive impact on everything that makes a society successful In [The Truth About Immigration](#) Wharton professor Zeke Hernandez draws from nearly twenty years of research to answer all the big questions about immigration He combines moving personal stories with rigorous research to offer an accessible apolitical and evidence based look at how newcomers affect our local communities and our nation You'll learn about the overlooked impact of immigrants on investment and job creation realize how much we take for granted the novel technologies products and businesses newcomers create get the facts straight about perennial concerns like jobs crime and undocumented immigrants and gain new perspectives on misunderstood issues such as the border taxes and assimilation Hernandez turns fear into hope by proving that immigrants are essential for economically prosperous and socially vibrant nations [The Truth About Modern Slavery](#)
