Undoing Ethics Natasha Whiteman, 2012-01-07 Over the past decade researchers from different academic disciplines have paid increasing attention to the productivity of online environments The ethical underpinnings of research in such settings however remain contested and often controversial As traditional debates have been reignited by the need to respond to the particular characteristics of technologically mediated environments researchers have entered anew key debates regarding the moral legal and regulative aspects of research ethics A growing trend in this work has been towards the promotion of localized and contextualized research ethics the suggestion that the decisions we make should be informed by the nature of the environments we study and the habits expectations of participants within them Despite such moves the relationship between the empirical theoretical and methodological aspects of Internet research ethics remains underexplored Drawing from ongoing sociological research into the practices of media cultures online this book provides a timely and distinctive response to this need This book explores the relationship between the production of ethical stances in two different contexts the ethical manoeuvring of participants within online media fan communities and the ethical decision making of the author as Internet researcher manoeuvring as it were in the academic community In doing so the book outlines a reflexive framework for exploring research ethics at different levels of analysis the empirical settings of research the theoretical perspectives which inform the researcher's objectification of the research settings and the methodological issues and practical decisions that constitute the activity as research The analysis of these different levels develops a way of thinking about ethical practice in terms of stabilizing and destabilizing moves within and between research and researched communities The analysis emphasizes the continuities and discontinuities between both research practice and online media fan activity and social activity in on and offline environments

Undoing Ethics Rethinking Practice In Online Research : Colleen Hoover's "It Ends with Us" This touching tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover expertly weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can succeed. Undoing Ethics Rethinking Practice In Online Research : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids captivating storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Undoing Ethics Rethinking Practice In Online Research : Delia Owens "Where the Crawdads Sing" This mesmerizing coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens weaves a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of engaging stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
