Unexpected Company Former Jesuits Talk About Their Lives:

Unexpected Company Douglass McFerran, 2007-08 In the years before the Second Vatican Council great numbers of young men typically just out of high school entered a Jesuit novitiate to begin the thirteen year march to the priesthood Most would leave the Jesuits sometimes long after ordination and the question often is whether they failed their church or their church failed them In often brutally frank disclosures a number of these former Jesuits talk about their lives why they became novices and took lifetime vows and then why they left sometimes just walking away after years in the priesthood What they have to say about themselves exposes a world once shrouded in secrecy **Intimate Meanderings** Morgan Zo-Callahan, 2009-08-07 What appeals to me intellectually and emotionally about your book is that reading these pieces together creates a very new context to hold the experience of life Spirituality what you call meditation is the glue that holds all the parts together I feel that all your contributors are committed to integrate the fragments of what knowledge and methods we have acquired with real life experience John Lounibos PhD *Intimate Meanderings* is an inspiring array of insight and bears witness to human life and our innate movement towards wholeness Roshi Wendy Egyoku Nakao Abbot ZCLA Buddha Essence Temple This book is an amazing potpourri of wisdom *Intimate Meanderings* should be required reading in every Jesuit tent Dan Berrigan S J Most memoirs are I full Morgan gives us a lot of We full Robert Blair Kaiser *Intimate Meanderings* shares the wisdom inner thoughts and vast experiences of over twenty five contributors who offer their inspiring reflections on meditation religion community involvement hospice and death ultimately piquing spiritual and literary curiosity for those contemplating their own pilgrimage through life A glance at the list of contributors their articles conversations and poems illustrates their breadth and depth as well as diversity personal histories both positive and negative that need to be told and not forgotten spiritual journeys that still have a powerful impact and poetry that captures emotional and motivational moments Zo Callahan and friends honestly communicate their deepest desires and yearnings as they explore the inner and inter relational processes of obtaining serenity and joy *The Wandering Jew: a Tale of the Jesuits. the world as a first step toward a comparative analysis of Jesuit engagement with racialized difference The authors hone in on labor practices social structures and religious agendas at salient moments during the long span of Jesuit history in this fascinating volume
