## **Unholy Allegiances Heeding Revelations Warning:**

Unholy Allegiances David A. deSilva, 2013 What if the Book of Revelation Isn't a Play Book for the End Times What if it Isn't a Fanciful Speculative Letter to be Decoded What if the Author Actually had a true and Relevant Message for the Church Amidst the fervor for popular apocalyptic books and unfounded end times theology New Testament scholar David A deSilva has written a book to help readers thoughtfully and properly approach Revelation as it was intended to be read In a masterful treatise deSilva explores the world of first century Roman Asia the context in which Revelation was written explaining why John wrote such a graphic and startling message to the people of God While many books today offer innovative decodings of Revelation deSilva reminds us that John's letter is in fact not a historical blueprint for prophecy and prognostication but a letter about the dangers that the church faced under the rule of Rome following the resurrection of Jesus a warning that is as apt today as it was almost two thousand years ago The true power of the book of Revelation is not in a mystical unfolding of the future but in its confrontation with the unholy allegiances already at work in the world It's time to pay attention without playing endgames It's time to take Revelation seriously **John 17 and the Power of Prayer**

Judith A Diehl, 2023-06-12 What is the power of prayer It is easy not to even think about prayer until trauma happens Everything seems to be going very well until we slip and fall Life is filled with beauty and joy until it isn't Then is God listening Silence is deafening and the lack of communication is frightening Many people know the familiar Lord's Prayer found in Matthew's Gospel and for good reason Some of us memorized it in our childhood But actually we may know little about prayer or we have tried to avoid it altogether Within varied denominations and customs people have rituals and practices about prayer that are deeply ingrained Some are very helpful but some do not raise prayer above a mysterious obligation and a duty Sadly perhaps we have lost our prayer innocence with time traditions and the painful experiences of life This book is a focus on unusual names or titles for God on the lips of Jesus in John's Gospel Names reveal identity who is God who is Jesus and who is the Holy Spirit A better understanding of God can have a profound effect on one's prayer life Knowing God is the power of prayer it can move us from obligation to love There are numerous books on effective or successful prayer in the religious section of the bookstore or on the internet This is not one of those books It is not about how to pray but it is a book about the One to whom we pray Life is a rocky craggy trail and we all need dependable available help when we slip and fall Then we can lift our hearts and thank Someone who loves us That is the power of prayer **Reading the Book of Revelation** Alexander Stewart, 2021-12-01 How to read Revelation rightly Let's face it the book of Revelation is difficult to read Many neglect it leaving it to the experts or the obsessed Others fixate on the details focusing on current events but missing Christ in the process But Revelation promises a blessing on all who read it Why is it so hard to understand In Reading the Book of Revelation Alexander E Stewart offers five simple keys that unlock this difficult book He then illustrates their profit in explaining Revelation chapter by chapter and provides recommendations for further study With this

short and accessible guide readers will see how Revelation is approachable applicable to their lives and glorifying to Christ

*The Nonviolent Apocalypse* Jeffrey D. Meyers, 2021-11-08 Revelation is resistance literature written to instruct early Christians on how to live as followers of Jesus in the Roman Empire The Nonviolent Apocalypse uses modern examples and scholarship on nonviolence to help illuminate Revelation's resistance arguing that Revelation's famously violent visions are actually acts of nonviolent resistance to the Empire The visions form part of Revelation's proclamation of God's way as a just and life giving alternative to the system constructed by Rome Revelation urges its readers to pursue this radical form of living engaging in nonviolent resistance to all that stands in the way of God's vision for the world

**A Theology of Revelation** J. Scott Duvall, 2025-03-25 A Theology of Revelation by J Scott Duvall in Zondervan's Biblical Theology of the New Testament series provides a comprehensive look at the theology of John's Apocalypse One of only a few dedicated theologies of Revelation Duvall's book leaves no stone unturned in the study of the final book of the Christian canon of Scripture This thoroughly researched study includes an investigation into the historical framework of the book authorship date and occasion and purpose a survey of literary theological foundations genre text and canonicity grammar and symbolic language use of the Old Testament literary structure and interpretation and a full literary theological reading of the book culminating in an exploration of the book's most significant theological themes God Jesus Christ the Holy Spirit the people of God worship discipleship salvation God's judgment of evil and the new creation Readers will find here a study that is clearly written attentive to the historical literary context with special attention given to the primary theological themes in the book Perhaps above all readers will have their hope in God and his amazing plan reinforced and strengthened

**After Dispensationalism** Brian P. Irwin, 2023-05-03 What God wants his people to know about the end times Christians fixation on the end times is not new While eschatological speculation has sometimes resulted in distraction or despair Scripture does speak about the end So what does God most want us to know and do with prophecy In *After Dispensationalism* Brian P Irwin and Tim Perry sympathetically yet critically sketch the history beliefs and concerns of dispensationalism Though a minority view in the sweep of church history and tradition dispensationalism is one of the most influential end times systems today and there is much to learn from it And yet sometimes it gets sidetracked by overlooking the prophets main concerns Irwin and Perry reexamine the key texts and show that Ezekiel Daniel and Revelation primarily give a word of hope to God's people
