setting could not be more appropriate for WWE's one and only Showstopper to add Mr Hall of Fame to his myriad monikers. From his debut in 1984 to his final WWE match in 2010 the world has seen Michaels allure audiences and perform like no other entertainer in history. But that's inside the ring. What if you could walk beside the incomparable Heartbreak Kid outside the squared circle beyond the curtain and spend four days with the man living a boyhood dream. Diary of a Heartbreak Kid shadows Shawn Michaels for an immensely poignant occasion of reflection, introspection and celebration as The Heartbreak Kid is inducted into the esteemed WWE Hall of Fame on Saturday April 2 2011. In a moment to moment narrative Diary captures the raw emotions and unfiltered candor of The Heartbreak Kid as he's reunited with family friends and a veritable who's who of squared circle lore. Triple H Stone Cold Steve Austin Ric Flair The Rock Vince McMahon all of whom have crossed and shaped Michaels's path to the Hall of Fame. With his beautiful wife two jubilant children time tested faith and nearly three decades of four cornered memories the retired Michaels steps back into the warmth of the limelight during the weekend of WWE's grandest extravaganza to experience the greatest honor in sports entertainment. And with Diary of a Heartbreak Kid you're riding shotgun.

Main Event Brian Shields, 2010-06-15 Every Saturday night in the eighties fans would gather around their television to watch not Saturday Night Live but Saturday Night The Main Event. WWE wrestling beat the ratings for the most talked about show on television week after week. Here is that era captured. Introducing your champion from Venice Beach California at three hundred and three pounds Hulk Hogan. And his challenger. Hearing those words ring out across the arena meant you were there. It didn't matter if you were there in person or watching on television or closed circuit. You were in the place where everyone wanted to be. You could feel the crowd as the tension built you were swept up and into the action. You knew you were going to witness history. You were experiencing the main event at a live WWE show. It seemed that wrestling had changed overnight that the men who entered the squared circle were suddenly larger than life. Everyone wanted to see the behemoth Hulk Hogan wrestle. And the men who wrestled with and against him were his equals in creating a match and a character that no one would soon forget. Andre the Giant Rowdy Roddy Piper Jesse The Body Ventura Jake the Snake Roberts Sgt Slaughter. They all kept you pinned to your seat as they were pinning their opponents to the mat. You just knew that you were going to see things that no one had ever seen before. The eighties was the era that cemented WWE as the place where the best wrestlers on the planet worked. Main Event WWE in the Raging 80s dips into those years and reveals the most celebrated wrestlers and the matches that will be recalled as not just the best of the eighties but the best of the ages.

My Favorite Match Jon Robinson,2012-07-31 Remember the time Goldust ran over Rowdy Roddy Piper in his gold Cadillac How about when Randy Orton battled Mick Foley with a barbed wire bat named Barbie When you ask a WWE Superstar what his favorite match is you might be surprised by his answer But that s the thing about a phrase like favorite match It s not about the greatest match in their careers or the time they won their first title It s about the moments that stand out and make them smile Sometimes it s the same smile they had when they left the ring face full of blood and sweat to the roars of thousands Sometimes it s the smile they tried so hard to hide when anything and everything seemed to go so wrong that even the ring announcer was accidentally injured in their struggle And sometimes it s the smile only the showmen themselves share with each other as brothers in battle with one goal in mind doing whatever it takes to put on the best show possible even if it means landing on a few thousand thumbtacks along the way These are their stories straight from the Superstars who performed some of the most memorable matches in WWE history These are the most unexpected the most brutal the most hilarious and the most unforgettable moments of their careers captured in their own words
