Grudem,2012-02-07 God intended the Bible to give guidance to every area of life including how governments should function Derived from author Wayne Grudem s Politics According to the Bible this book highlights those social issues that have dominated political debate recently and is a must read for any Christian concerned about current debates over social issues such as Abortion Education Homosexual marriage Pornography Religious freedom Throughout Wayne Grudem author of the bestselling Systematic Theology supports political positions that would be called more conservative than liberal However it is important to understand that I see these positions as flowing out of the Bible s teachings rather than positions I hold prior to or independently of those biblical teachings he writes My primary purpose in the book is not to be liberal or conservative or Democrat or Republican but to explain a biblical worldview and a biblical perspective on issues of politics law and government Not every reader will agree with the book s conclusions But by grounding his analysis deeply on Scripture Grudem has equipped Christians to better understand and respond to some of today s key political debates wisely and in a manner consistent with their primary citizenship as members and ambassadors of the kingdom of God *Fundamental Christian Ethics* Daniel Heimbach,2022-11-01 In Fundamental Christian Ethics Daniel Heimbach draws from decades of research and scholarship to introduce the field of Christian ethics in a comprehensive manner while showing how it dialogues with modern day ethical topics and issues *The Christian Advocate* ,1929 *The Congregationalist* ,1920 **Christian Advocate and Journal and Zion's Herald** ,1910 *The Congregationalist and Advance* ,1919 *Issues in Christianity* Bob Van Allen,2011-02 High school Bible teachers often struggle with holding students interest while challenging their young minds For years Bible classes have been considered bland shallow and safe The result is that high school students leave school largely unprepared to defend their faith Bob Van Allen s Issues in Christianity provides a series of lessons designed to address these matters This course explores serious and controversial theology in a way that is accessible to high school juniors and seniors The topics supply a starting point for discussion and are designed to provoke deeper thought understanding and spiritual growth Van Allen expounds on such topics as tithing dating and end times events including the history surrounding the issue and how it is now viewed by modern day theologians This is not a read and fill in the blank curriculum that leaves the teacher out of the equation Teacher involvement is crucial to present the material encourage questions and guide the discussions As students engage in this material they will begin to think and ask questions By the end of this course they will know what they believe and why after delving deep into Issues in Christianity *Constitutional Equality a Right of Woman; a consideration of the various relations which she sustains as a necessary part of the body of society, etc. [With a portrait.]* Tennessee Celeste CLAFLIN (afterwards COOK (Tennessee Celeste) Lady.),1871 **Africa Study Bible, NLT** John Jusu,2017 The Africa Study Bible brings together 350 contributors from over 50 countries providing a unique African perspective It s an all in one course
