WORDS for Thinking AND THOUGHTS for Meditation Paul Krebill, 2004-05-13

WORDS for Thinking AND THOUGHTS for Meditation is a Christian resource for an ordered and effective spiritual devotional experience. Life concerns as well as social and ethical issues are considered in the light of God's message through Jesus Christ. Readers will find in this volume three hundred and sixty-six daily devotional readings. Each day's devotional has a suggested scripture reference as the basis for a brief comment provided for the day. In addition, each reading includes a short prayer. These can be used in a family or small group setting as well as privately. Since each day's devotional reading contains a separate and complete message, one can begin using this volume at any time and continue on a daily inspired journey of faith for one's life. In addressing personal and social issues, I have drawn upon more than forty years of pastoral ministry as well as upon a life-long study of Christian theology. In this way, I believe my sharing in the real struggles of persons facing life problems and my awareness of the accumulated insights of Christian thinkers come together in this book of devotions, which is designed to give
