here Now With Third Eye Awakening *Third Eye Awakening* Serenity Marcus,2020-03-23 Are you looking for a Powerful Guide to Awake your Inner Energies and Improve your Spiritual Practices Then keep reading I have seen many explanations of this but the most accurate is that the Third Eye is something that is located between your eyebrows Place your finger at the top of your nose and up a little until you get to that point where your eyebrows would join and this is the area where the Third Eye is located It is not an eye in the natural sense and certainly does not look like one but it is able to discern certain truths and can observe Spiritual Development as well as being able to make the brain see things in a different way than traditional eyes can Scientifically we know that this area is the area of the brain that has the label of Pineal Gland You may have heard of serotonin which is a feel good hormone produced by the pineal gland in the form of melatonin If you understand the shape of the skull this pinecone shaped gland is located just as we have indicated above and is responsible for many feelings of euphoria although people such as Rene Descartes described it as being where the soul of man is located You may not be aware of its existence at this moment in time but that s because it s a relatively small gland being about the size of a grain of rice although the impact it can have on your life can be mind blowing The Third Eye is associated with Spirituality and understanding of Spiritual Things Many people mistake this for being religious although one can be religious without being Spiritual For example many people in the teachings of the church while not believing in spirituality being with you at all times When the third eye is opened it changes your life and your perspective of things and you have this feeling of inner wellbeing that you may never have otherwise experienced It s almost akin to the opening of a door to understanding This book will teach you and includes What is the Third Eye How To Open Your Third Eye Mindfulness Meditation Practicing Mindfulness Astral Travel and Clairvoyance Who Are Empaths Trust Your Intuition How to Remove Negative Influences Guided Meditations FAQ s About The Third Eye Benefits of the Third Eye and much more We know that in Hinduism there are Chakras through the body that allow energy flow and that many of the exercises that are performed by yoga classes help to open up this energy flow There are also consequences to blockages of any of the Chakras though too many people the Third Eye Chakra remains a mystery because they cannot step beyond the worldly beliefs that they hold into the Spiritual Plane required to open the third eye to greater understanding The Third Eye sees things as if witnessing them and those things that are witnessed allow the individual to feel closer to understanding the Spiritual World as well as being able to gain a better understanding of Mindfulness Are you ready to discover this powerful world Then Scroll Up and Click the Buy Now Button to Get Your Copy **Third Eye Awakening** Spiritual Awakening Academy,2020-06-29 Did you know that you have a third eye Are you aware of its benefits Well it is an eye that is related to religious visions It is said to have the capability to observe the chakras as well as the auras and also the precognition which happens through the experiences that happen out of the body Third Eye Activation is not an impossible task In fact it could be easier than you think It isn t an eye to acquire You have it inside you and it has always been active to some extent Studies suggest you can make your pineal gland the
