Shelley's Textual Seductions Samuel Lyndon Gladden, 2016-01-08 First published in 2002 This book surveys how and to what effect Shelley uses erotic narratives to mask political rhetoric within his attempts to describe and bring forth utopia Posing erotic relationships as both an exemplar of the inequities of power and a paradigm for alternative social orders that dismantle oppressive structures it argues Shelley's work imagines a space where the rigidity of tyranny succumbs to the liberation of ecstatic union From the Romantics to the Aesthetes it argues that this model contributed to a counter tradition in British literature which situates the erotic as a trope for political discourse This work will be of interest to students of literature

Seductive Scot Julie Johnstone, Cecelia Mecca, 2020-04-23 Reikart McCaim doesn't want to be saved despite the fact that he's a time traveler from 2020 New Orleans stuck in medieval Scotland He holds his jagged secrets close to his chest and wants to keep them that way Even if he could open up to the incredible woman fate has tossed in his path they'd both be shredded by the things he can't let go of Still he needs her help In his time his father lies in a coma with only one wish to see Reikart's mother again whom he's always claimed was a time traveler pulled back to her true time Two of Reikart's brothers already traveled back to search for her but they are missing too Now Reikart must find his family and secure the magic cross they need to return to their time And the lass who is everything he wants but cannot allow himself to have is the only one who can recover it Deirdre Irvine's life is a disaster and it's about to get a whole lot messier She's been betrayed by her brother and she finds herself unwittingly embroiled in a plot to gain control of the Scottish throne Not to mention she's harboring enormous guilt over failing the sister she adores So when the unexpected chance to prove herself to her sister

arises Deirdre will do anything to use the opportunity to her advantage It doesn't matter that it means putting herself in danger and joining forces with a man who claims he's from the future But she is woefully unprepared for the jeopardy he puts her heart in For a scarred man and wounded lass their greatest obstacle may not be the centuries that divide them but the walls they've erected themselves As Deirdre's and Reikart's lives intertwine and they're confronted with dangerous enemies she's about to discover a strength she never knew she had and he's about to learn that facing his ghosts may be the only way to save not only himself but the woman he now loves
