This Momentary Marriage A Parable Of Permanence:

This Momentary Marriage John Piper, 2009-04-03 Reflecting on forty years of matrimony John Piper exalts the biblical meaning of marriage over its emotion exhorting couples to keep their covenant for all the best reasons Even in the days when people commonly stayed married til death do us part there has never been a generation whose view of marriage was high enough says Pastor John Piper That is all the more true in our casual times Though personal selfishness and cultural bondage obstruct the wonder of God s purpose it is found in God s Word where his design can awaken a glorious vision capable of freeing every person from small Christ ignoring romance intoxicated views As Piper explains in reflecting on forty years of matrimony Most foundationally marriage is the doing of God And ultimately marriage is the display of God It displays the covenant keeping love between Christ and his people to the world in a way that no other event or institution does Marriage therefore is not mainly about being in love It s mainly about telling the truth with our lives And staying married is not about staying in love It is about keeping covenant and putting the glory of Christ s covenant keeping love on display This Momentary Marriage unpacks the biblical vision its unexpected contours and its weighty implications for married single divorced and remarried alike

Desiring God, Revised Edition John Piper, 2011-01-18 Experience the Lifelong Pleasures of Knowing God Satisfaction Happiness Joy According to John Piper the pursuit of pleasure in God is not only permissible it s essential Desiring God is a paradigm shattering work that dramatically alters common perspectives on relating to God Piper reveals that there really is no need to choose between duty and delight in the Christian life In fact for the follower of Jesus delight is the duty as Christ is most magnified in His people when they are most satisfied in Him Constantly drawing on Scripture to build his case Piper shows why pursuing maximum joy is essential to glorifying God He discusses the implications of this for conversion worship love Scripture prayer money marriage missions and suffering Piper beckons us to approach God with the hedonist s abandon Finally we are freed to enjoy Jesus not only as our Lord and Savior but also as our all surpassing soul satisfying Treasure Desiring God may turn your Christian world upside down And that will be a good thing for the glory of God and for your deepest joy Includes a study guide for individual and small group use

Cultural Christians in the Early Church Nadya Williams, 2023-11-14 In the middle of the third century CE one North African bishop wrote a treatise for the women of his church exhorting them to resist such culturally normalized yet immodest behaviors in their cosmopolitan Roman city as mixed public bathing in the nude and wearing excessive amounts of jewelry and makeup The treatise appears even more striking once we realize that the scandalous virgins to whom it was addressed were single women who had dedicated their virginity to Christ Stories like this one challenge the general assumption among Christians today that the earliest Christians were zealous converts who were much more counterculturally devoted to their faith than typical church goers today Too often Christians today think of cultural Christianity as a modern concept and one most likely to occur in areas where Christianity is the majority culture such as the American Bible Belt The story that this book presents

refutes both of these assumptions Cultural Christians in the Early Church which aims to be both historical and practical argues that cultural Christians were the rule rather than the exception in the early church Using different categories of sins as its organizing principle the book considers the challenge of culture to the earliest converts to Christianity as they struggled to live on mission in the Greco Roman cultural milieu of the Roman Empire These believers blurred and pushed the boundaries of what it meant to be a saint or sinner from the first to the fifth centuries CE and their stories provide the opportunity to get to know the regular people in the early churches At the same time their stories provide a fresh perspective for considering the difficult timeless questions that stubbornly persist in our own world and churches when is it a sin to eat or not eat a particular food Are women inherently more sinful than men And why is Christian nationalism a problem and at times a sin Ultimately recognizing that cultural sins were always a part of the story of the church and its people is a message that is both a source of comfort and a call to action in our pursuit of sanctification today **Themelios, Volume 35, Issue**

Myths about Singleness Sam Allberry,2019-02-14 If marriage shows us the shape of the gospel singleness shows us its sufficiency Much of what we commonly assume about singleness that it is primarily about the absence of good things like intimacy family or meaningful ministry is either flat out untrue or at the very least shouldn t be true To be single we often think is to be alone and spiritually hindered But the Bible paints a very different picture of singleness it is a positive gift and blessing from God This book seeks to help Christians married and unmarried alike value singleness as a gift from God so that we can all encourage singles to take hold of the unique opportunities their singleness affords and see their role in the flourishing of the church as a whole Alive in Him Gloria Furman,2017-03-16 Discover the Immeasurable Love of Christ God s grand plan for the redemption of his creation has been in motion since before time began The book of Ephesians lays out this glorious vision revealing what Christ s redemptive work means for the people of God and showing us how we should live in light of that reality *Alive in Him* draws us into the main themes in the book of Ephesians showing us how the blessings we have received in Christ empower our obedience and love for God Designed to be read alongside an open Bible *Alive in Him* helps us apply Paul s letter to our daily lives reminding us of our purpose on earth and directing our gaze to the love of Jesus Christ a love that has the power to transform how we live *The Publishers Weekly* ,2009 *When the Polls Lie* Max Spurr,2013-03 In this book we have hand picked the most sophisticated unanticipated absorbing if not at times crackpot original and musing book reviews of *This Momentary Marriage A Parable of Permanence* Don t say we didn t warn you these reviews are known to shock with their unconventionality or intimacy Some may be startled by their biting sincerity others may be spellbound by their unbridled flights of fantasy Don t buy this book if 1 You don t have nerves of steel 2 You expect to
