Richard Harris Joe Jackson, 2022-11-18 In 1987 when Richard Harris the legendary star of *This Sporting Life* *The Field* and *Harry Potter and the Philosopher's Stone* was interviewed for the first time by Joe Jackson they almost came to blows Jackson was determined to unearth deeper truths about the actor than he usually disclosed during interviews Harris had manipulated the media all his life largely to keep people from getting to really know him However by the time that interview ended they had become firm friends It was only then that Jackson told Harris I want to show the public that there is far more to you than your superficial image as a boozing brawling womaniser Harris loved this idea and two years later he asked Jackson to write his biography *Richard Harris Raising Hell and Reaching for Heaven* is that biography But it is much more besides Based on a searingly honest series of interviews Jackson recorded with Harris between 1987 and 2001 plus the author's journal entries and extensive notes this book is also a part memoir that tells a highly personal and moving back story about why it was inevitable that Jackson and Harris would connect at the deepest possible level This book will finally prove beyond a doubt that there was far more to Richard Harris indisputably one of Ireland's greatest actors as well as a Grammy award winning recording artist and published poet than has previously been revealed

For the past 3 years, his wife Sheila has been living with Maurice, a car dealer who owns a Rolls Royce, a Bentley and a Jaguar, a man rumored to have killed 3 people in car accidents. Attercliffe cowrites a weekend football roundup for the local sports column and after a match, he is introduced to the beautiful actress Phyllis Gardner at his favorite watering hole. That night, however, Sheila comes home having left Maurice and given up her current lover, Gavin. She wants to move back to Walton Lane with the entire family but she wants Attercliffe to move out.
