Those Mysterious Priests:

Those Mysterious Priests Fulton John Sheen, 1974 This is a reprint of Fulton Sheen's last book published in his lifetime written a few years before he died in 1979 In his final years Archbishop Sheen gave many retreats to priests and was very concerned with making sure that priests had a strong moral and spiritual background to meet the challenges facing the Church after Vatican II This book covers a wide range of topics affecting the priesthood and is vintage Sheen written with his usual insight and humor

Those Mysterious Priests Fulton John Sheen, 2005 A priest is mysterious because he lives in two worlds He is at his best when he leads a double life at once both human and divine In this penetrating book written some five years before his death Sheen explores this duality inherent in the vocation of the modern day priest his need like that of Christ to feel the holiness of God that binds him to the Father and at the same time his need to become a victim like Christ for the world's sins assuming its guilt and poverty in union with the Lord In these pages he covers a wide range of topics including what it means to be both priest and victim the priest's role in continuing the incarnation the passion and the resurrection of Christ the need for a sense of humor in the priest who must be in the world but not of it frustration in the priesthood Mary as the mother of all priests and model of the lonely obedient and chaste priest the indispensable role of the Holy Hour in the spiritual growth and happiness of the priest Sheen proves himself to be a truly prophetic voice for the twenty first century Written with the liveliness wit and spiritual insight that continue to endear Sheen to millions *Those Mysterious Priests* emphasizes the sense of oblation and spirituality that is such an essential part of any effective priesthood in the world today Book jacket

Those Mysterious Priests Fulton John Sheen (arciv. di Newport), 1974 **The Gift of Confession** Michael De Stoop, 2007 The best way to help people to appreciate this Sacrament is to elucidate the many benefits we receive from it This book focuses on 25 striking things that Confession affords It demonstrates that Confession gives us much more than it takes away Taking negative things sin away is one thing for which this Sacrament is well known but how many people think of the Sacrament of Reconciliation in terms of the positive things it provides for us This positive approach is a welcome alternative to viewing this Sacrament simply in relation to sin It is informative and entertaining as it is illustrated with interesting analogies true stories Church teaching quotations from the saints and answers to popular questions This book will touch the hearts and enlighten the minds of many saints and sinners teachers and witnesses George Cardinal Pell Archbishop of Sydney Fr Michael de Stoop is Director of Vocations Sydney Australia
