Thoughts Matter Discovering The Spiritual Journey The Matters Series:

Thoughts Matter Mary Margaret Funk, 2012 Rev ed of Thoughts matter the practice of spiritual life c1998 **Humility Matters** Mary Margaret Funk, 2013 Humility Matters makes the claims that humility is for a disciple of Jesus Christ what enlightenment is for a Buddhist realization for a Hindu surrender for a Muslim and righteousness for a Jew It is the unmistakable character of one who has accepted the vocation to undertake the spiritual journey It is at the core of our experience of life in Christ Meg Funk guides readers deeper into a life of humility by following the movement of what the early Christians called the four renunciations to renounce our former way of life our thoughts of our former way of life our self made thoughts of God and our self made thoughts of ourselves With the help of the compelling examples of St Benedict St Teresa of Jesus and St Therese of Lisieux Funk shows the way to ongoing conversion of mind heart and way of life Mary Margaret Funk is a Benedictine nun of Our Lady of Grace Monastery Beech Grove Indiana From 1994 through 2004 she served as executive director of Monastic Interreligious Dialogue which fosters dialogue among monastics of the world s religions In addition to the volumes of the Matters Series she is the author of Islam Is An Experience of Dialogue and Devotion and Into the Depths A Journey of Loss and Vocation Lectio Matters Mary Margaret Funk, 2013-02-01 Lectio divina is a way of praying by sustained immersion into a revelatory text While Scripture is the classic place of encounter with God the text could also be the book of life or the book of nature In Lectio Matters respected spiritual guide Meg Funk accompanies the reader in exploring the various levels of lectio divina as taught by the ancient church writers and by sharing her own long experience By means of this wisdom both ancient and new lectio divina can become our burning bush a real encounter with the living God in which we take off our sandals and bow our brow to the ground Blessed Endurance John R. Wimmer, 2018-01-01 Where is God when we are hurting or in despair How can we find hope even when we feel hopeless Pain struggle and despair are part of life and they test our character as God s people John Wimmer approaches these challenges to our faith realistically and thoughtfully He does not offer easy answers or platitudes like Everything happens for a reason We can t always understand or control many things that happen to us but we can choose how we respond to our circumstances Wimmer encourages us to view times of difficulty as opportunities for spiritual and personal growth Rather than diminishing our faith pain and despair can lead us to greater trust in God To endure through such times is a blessing This inspiring book offers practical help for moving from pain and despair to hope Wimmer reminds us that with hope we also have faith not the false belief that our lives will be pain free but the assurance that God will be with us through our most challenging times and lead us to deeper levels of spiritual growth and wisdom *Great Thoughts from Master Minds* , 1899

Tools Matter for Practicing the Spiritual Life Mary Margaret Funk, 2001 In her previous book Thoughts Matter The Practice of the Spiritual Life Sister Mary Margaret Funk elaborating on the teaching of John Cassian dealt with the eight classic thoughts that distract us from the presence of God In her new book casting her net more widely she treats more than

two dozen tools or practices of the spiritual life Many of these such as fasting vigils ceaseless prayer and manual labor derive from the desert mothers and fathers of the fourth and fifth centuries but just as many come from later times the practices of emptiness based on The Cloud of Unknowing of recollection Teresa of Avila of self abandonment J P de Caussade of the presence of God Brother Lawrence of colloquy Gabrielle Bossis and of the Little Way of Therese of Lisieux The book concludes with a chapter on discernment spiritual direction and the limitations of each tool Tools says Funk are means not ends Eventually we discover with freedom and love that tools don t matter after all God our heart s desire is all that matters The book includes a comprehensive bibliography **Dearborn Independent** ,1927 Light ,1929 Century Path ,1903 Number ten Birmingham Carr's lane young men's Bible class,1892 **The Universalist Leader** ,1923 *The Christian Union* ,1883 **The Congregationalist** ,1929 The Christian Union Henry Ward Beecher,1883 *The Humanist* ,1920 **A Brief History of the Western World** Thomas H.
