**Sharing Our Stories of Survival** Sarah Deer, Bonnie Clairmont, Carrie A. Martell, 2008 A general introduction to the social and legal issues involved in acts of violence against Native women this book's contributors are lawyers social workers social scientists writers poets and victims In the U S Native women are more likely than women from any other group to suffer violence from rape and battery to more subtle forms of abuse and Sharing Our Stories of Survival explores the causes and consequences of such behavior The stories and case studies presented here are often painful and raw and the statistics are overwhelmingly grim but a countervailing theme also runs through this extremely informative volume Many of the women who appear in these pages are survivors often strengthened by their travails and the violence examined here is human violence meaning that it can be changed if only with much effort and education The first step is to lay out the truth for all to see and that is the purpose accomplished by this book

*Indigenous Peoples and the Law* Benjamin J Richardson, Shin Imai, Kent McNeil, 2009-03-18 Indigenous Peoples and the Law provides an historical comparative and contextual analysis of various legal and policy issues affecting Indigenous peoples It focuses on the common law jurisdictions of Australia Canada New Zealand and the United States as well as relevant international law developments Edited by Benjamin J Richardson Shin Imai and Kent McNeil this collection of new

essays features 13 contributors including many Indigenous scholars drawn from around the world The book provides a pithy overview of the subject matter enabling readers to appreciate the seminal issues precedents and international legal trends of most concern to Indigenous peoples The first half of Indigenous Peoples and the Law takes an historical perspective of the principal jurisdictions canvassing in particular themes of Indigenous sovereignty status and identity and the movement for Indigenous self determination It also examines these issues in an international context including the Inter American human rights regime and the 2007 UN Declaration on the Rights of Indigenous Peoples The second part of the book canvasses some contemporary issues and claims of Indigenous peoples including land rights mobility rights community self governance environmental governance alternative dispute resolution processes the legal status of Aboriginal women and the place of Indigenous legal traditions and legal theory Although an introductory volume designed primarily for readers without advanced understanding of Indigenous legal issues Indigenous Peoples and the Law should also appeal to seasoned scholars policy makers lawyers and others who are knowledgeable of such issues in their own jurisdiction and wish to learn more about developments in other places *Freedom and Indigenous Constitutionalism* John Borrows,2016-01-01 John Borrows uses Ojibwe law stories and principles to suggest alternative ways in which Indigenous peoples can work to enhance freedom

The Beginning and End of Rape Sarah Deer,2015-11-01 Winner of the Labriola Center American Indian National Book Award Despite what major media sources say violence against Native women is not an epidemic An epidemic is biological and blameless Violence against Native women is historical and political bounded by oppression and colonial violence This book like all of Sarah Deer s work is aimed at engaging the problem head on and ending it The Beginning and End of Rape collects and expands the powerful writings in which Deer who played a crucial role in the reauthorization of the Violence Against Women Act in 2013 has advocated for cultural and legal reforms to protect Native women from endemic sexual violence and abuse Deer provides a clear historical overview of rape and sex trafficking in North America paying particular attention to the gendered legacy of colonialism in tribal nations a truth largely overlooked or minimized by Native and non Native observers She faces this legacy directly articulating strategies for Native communities and tribal nations seeking redress In a damning critique of federal law that has accommodated rape by destroying tribal legal systems she describes how tribal self determination efforts of the twenty first century can be leveraged to eradicate violence against women Her work bridges the gap between Indian law and feminist thinking by explaining how intersectional approaches are vital to addressing the rape of Native women Grounded in historical cultural and legal realities both Native and non Native these essays point to the possibility of actual and positive change in a world where Native women are systematically undervalued left unprotected and hurt Deer draws on her extensive experiences in advocacy and activism to present specific practical recommendations and plans of action for making the world safer for all *White Supremacy, Racism and the Coloniality of Anti-Trafficking* Kamala Kempadoo,Elena Shih,2022-09-15 Global efforts to combat human trafficking are ubiquitous and reference particular ideas

about unfreedoms suffering and rescue The discourse has however a distinct racialized legacy that is lodged specifically in fears about white slavery women in prostitution and migration and the defilement of white womanhood by the criminal and racialized Other White Supremacy Racism and the Coloniality of Anti Trafficking centers the legacies of race and racism in contemporary anti trafficking work and examines them in greater detail A number of recent arguments have suggested that race and racism are not only visible but vital to the success of contemporary anti trafficking discourses and movements The contributors offer recent scholarship grounded in critical anti racist perspectives that reveal the historical and contemporary racial working of anti trafficking discourses and practices globally and how these intersect with gender citizenship sexuality caste and class formations and the global political economy Indian Record ,1970 Justifications of the budget estimates, Department of Justice United States. Subcommittee on the Departments of Commerce, Justice, and State, the Judiciary, and Related Agencies,2000 **Legal Research and Law Library Management** Julius J. Marke,Richard Sloane,Linda M. Ryan,2006 This revised edition of Legal Research and Law Library Management retains the best elements of the previous edition while covering the latest in law library management **American Indian Sovereignty and Law** Wade Davies,Richmond L. Clow,2009-02-04 American Indian Sovereignty and Law An Annotated Bibliography covers a wide variety of topics and includes sources dealing with federal Indian policy federal and tribal courts criminal justice tribal governance religious freedoms economic development and numerous sub topics related to tribal and individual rights While primarily focused on the years 1900 to the present many sources are included that focus on the 19th century or earlier The annotations included in this reference will help researchers know enough about the arguments and contents of each source to determine its usefulness Whenever a clear central argument is made in an article or book it is stated in the entry unless that argument is made implicit by the title of that entry Each annotation also provides factual information about the primary topic under discussion In some cases annotations list topics that compose a significant portion of an author s discussion but are not obvious from the title of the entry American Indian Sovereignty and Law will be extremely useful in both studying Native American topics and researching current legal and political actions affecting tribal sovereignty *Rebuilding Native Nations* Miriam Jorgensen,2007-12-13 A revolution is underway among the Indigenous nations of North America It is a quiet revolution largely unnoticed in society at large But it is profoundly important From High Plains states and Prairie Provinces to

southwestern deserts from Mississippi and Oklahoma to the northwest coast of the continent Native peoples are reclaiming their right to govern themselves and to shape their future in their own ways Challenging more than a century of colonial controls they are addressing severe social problems building sustainable economies and reinvigorating Indigenous cultures In effect they are rebuilding their nations according to their own diverse and often innovative designs Produced by the Native Nations Institute for Leadership Management and Policy at the University of Arizona and the Harvard Project on American Indian Economic Development this book traces the contours of that revolution as Native nations turn the dream of self determination into a practical reality Part report part analysis part how to manual for Native leaders it discusses strategies for governance and community and economic development being employed by American Indian nations and First Nations in Canada as they move to assert greater control over their own affairs Rebuilding Native Nations provides guidelines for creating new governance structures rewriting constitutions building justice systems launching nation owned enterprises encouraging citizen entrepreneurs developing new relationships with non Native governments and confronting the crippling legacies of colonialism For nations that wish to join that revolution or for those who simply want to understand the transformation now underway across Indigenous North America this book is a critical resource
