**Geoff King, Tanya Krzywinska**

## **Trigger Happy 20 The Art And Politics Of Videogames:**

Digital Transformation in the Cultural and Creative Industries Marta Massi, Marilena Vecco, Yi Lin, 2020-12-28 This research based book investigates the effects of digital transformation on the cultural and creative sectors Through cases and examples the book examines how artists and art institutions are facing the challenges posed by digital transformation highlighting both positive and negative effects of the phenomenon With contributions from an international range of scholars the book examines how digital transformation is changing the way the arts are produced and consumed As relative late adopters of digital technologies the arts organizations are shown to be struggling to adapt as issues of authenticity legitimacy control trust and co creation arise Leveraging a variety of research approaches the book identifies managerial implications to render a collection that is valuable reading for scholars involved with arts and culture management the creative industries and digital transformation more broadly

**Comics and Videogames** Andreas Rauscher, Daniel Stein, Jan-Noël Thon, 2020-10-18 This book offers the first comprehensive study of the many interfaces shaping the relationship between comics and videogames It combines in depth conceptual reflection with a rich selection of paradigmatic case studies from contemporary media culture The editors have gathered a distinguished group of international scholars working at the interstices of comics studies and game studies to explore two interrelated areas of inquiry The first part of the book focuses on hybrid medialities and experimental aesthetics between comics and videogames the second part zooms in on how comics and videogames function as transmedia expansions within an increasingly convergent and participatory media culture The individual chapters address synergies and intersections between comics and videogames via a diverse set of case studies ranging from independent and experimental projects via popular franchises from the corporate worlds of DC and Marvel to the more playful forms of media mix prominent in Japan Offering an innovative intervention into a number of salient issues in current media culture Comics and Videogames will be of interest to scholars and students of comics studies game studies popular culture studies transmedia studies and visual culture studies

**Screenplay** Geoff King, Tanya Krzywinska, 2002 Hollywood film franchises are routinely translated into games and some game titles make the move onto the big screen This collection investigates the interface between cinema and games console or PC

**Digital Encounters** Aylish Wood, 2007 A cross media study of digital moving images in animation cinema games and installation art
