Stop Checking Your Likes Susie Moore, 2020-04-07 Your freedom's knocking. Are you ready? Millions of us waste huge chunks of our days checking our phones and devices, looking for just one more thumbs up or red heart. It's the modern measurement of how accepted, wanted, or valued we seem to be. Susie Moore is going to help you shake off the need for that hollow approval and live the incredible confident life you were meant to live. It's time to proclaim and celebrate your talents, fend off naysayers, and live your life with magnetism and unshakable self-confidence. Here's the rub: A perfect life doesn't exist. Those perfectly tanned people sailing in Ibiza have problems just like you. But what Susie Moore has learned and will show you is that truly successful and self-assured people have something in common: They are willing to experience failure without getting bummed out or overwhelmed. They simply build up from it. On the path to satisfying your deep personal desires, when things go wrong or feel off, and they will, you can always ask not what's wrong but what's missing, because what's missing can be found. In fact, it's waiting and wanting to be found. In *Stop Checking Your Likes*, you'll learn how to break free of the outside approval traps and focus on nourishing and loving yourself. Stop checking your likes and find your purpose and your power. Fast.

Just Beyond the Light D. Randall Blythe, 2025-02-18 Unnervingly raw and honest, this book is timeless wisdom that was earned the hard way. Mark Manson, author of *The Subtle Art of Not Giving a F*ck*. From the author of *Dark Days* and lead singer of long-running extreme metal band Lamb of God, a riveting and revelatory memoir about self-development and maintaining proper perspective through difficult times. In his gripping bestselling debut memoir *Dark Days*, Lamb of God vocalist D. Randall Blythe unflinchingly wrote about some of the most harrowing episodes of his past. Now, in his highly anticipated follow-up *Just Beyond the Light*, Blythe shares how he works daily to maintain positivity in a world that feels like it is spinning out of control. In his own words, *Just Beyond the Light* is a tight, concise roadmap of how I have attempted to maintain what I believe to be a proper perspective in life, even during difficult times. Written with a scathing balance of hard-edged reality offset by a

knowing humor and a razor sharp wit voiced in his inimitable conversational everyman philosopher style Blythe clearly breaks down his approach to life which is a personal and idiosyncratic mix of sobriety art and surfing He writes movingly of his childhood in the South of fallen friends of what he s learned touring the world as the vocalist of a successful heavy metal band and of the very real ways he is doing what he can to leave the world a better place Above all he offers readers hope that balance real balance is possible even or especially when things seem hopeless Compelling compassionate and refreshingly honest Just Beyond the Light ultimately reminds readers that as long as we keep our feet and minds planted firmly on the ground that is reality the sky isn t falling it never has been and it never will The Computer Phone Book Mike Cane,1983
