They Speak With Other Tongues:

They Speak with Other Tongues John L. Sherrill, 2011-10-01 How a skeptical journalist was introduced to the charismatic renewal and to the phenomenon of speaking in tongues

They Speak with Other Tongues John Sherrill, 2018-09-18 More than fifty years ago a reporter for Guideposts magazine set out to gather information about a strange new occurrence happening all over the country John Sherrill a skeptic when it came to speaking in tongues and the baptism with the Holy Spirit was determined to retain his objectivity while digging out the facts What he found would change his life With more than 2.5 million copies sold this classic work is the story of one man's journey from skepticism to a life-changing relationship with God Filled with historical and biblical accounts of speaking in tongues this is also the deeply personal and moving story of how you too can walk in the power of the Spirit day by day Now includes a new epilogue and update on how to lean on the Holy Spirit for unity in an increasingly divisive world

They Speak with Other Tongues John L. Sherrill, 1964 Speaking with tongues What is it This is exactly what John Sherrill set out to discover A skeptic where miracles were claimed he had to be shown And shown he was All across the country in homes of theologians and day laborers in musty libraries and hand clapping church services and at the last a personal encounter with Spirit-filled utterance Publisher

Hidden Power of Speaking in Tongues Mahesh Chavda, 2011-07-28 Almost 40 years ago John and Elizabeth Sherrill introduced the world to the phenomenon of speaking in tongues in their book *They Speak with Other Tongues* The book was an immediate success as thousands were touched by the power of this spiritual gift

The Hidden Power of Speaking in Tongues again explores this spiritual experience powerfully prevalent in the early church This much maligned and controversial gift was a practical part of their worship and intercession and seeks to be rediscovered in our day In a day of spiritual poverty Chavda challenges the Body of Christ to experience afresh the secret dynamic of speaking in tongues as he removes the veil covering this glorious gift

Speaking in Tongues Gerald Hovenden, 2002-12-31 The phenomenon of Speaking in Tongues is examined in its religious historical context Part 1 considers recent scholarly studies of inspired speech in the ancient world where parallels have been alleged with the early Christian experience as recorded in the New Testament In Part 2 both the Lucan and Pauline references to tongues are considered in detail with a view to discerning the significance of the phenomenon for the church its mission and worship In the light of this practical implications are drawn for the church in the 21st century

More of Him George Bloomer, 2012-01-01 Living in the Power of the Holy Spirit The Holy Spirit is essential to the Christian life It was the Holy Spirit who guided Christ in resisting

temptation for forty days in the desert It was the Holy Spirit who led the apostles in their first evangelistic crusade at Pentecost And it was the Holy Spirit who strengthened Paul for spreading the gospel and establishing the church You re a Christian you love the Lord and you daily try to obey Him But you feel something is missing Are you walking in the power of the Holy Spirit as Christ the apostles and Paul did Is your desire for intimacy with the Father increasing Are you passionately pursuing the Holy Spirit s presence Prepare to discover a deeper understanding of the indwelling of the Holy Spirit Don t be lost in this doctrinal tug of war Join Bishop George G Bloomer as he provides solid scriptural answers on the Holy Spirit His person His fruit His gifts His unifying work There s no need to live in confusion any longer As you begin to walk in this deeper understanding of the Holy Spirit you will be filled with new wisdom power and strength Prepare to find More of Him and receive the power of the Holy Spirit ... *Select Notes on the International Sunday School Lessons ...* ,1875 *Prayer and Contemporary Criticism* R.
