**The Declaration of Independents** Nick Gillespie, Matt Welch, 2012-06-26 Everywhere in America the forces of digitization innovation and personalization are expanding our options and bettering the way we live Everywhere that is except in our politics There we are held hostage to an eighteenth century system dominated by two political parties whose ever more polarized rhetorical positions mask a mutual interest in maintaining a stranglehold on power The Declaration of Independents is a compelling and extremely entertaining manifesto on behalf of a system better suited to the future one structured by the essential libertarian principles of free minds and free markets Gillespie and Welch profile libertarian innovators identify the villains propping up the ancien regime and take aim at do something government policies that hurt most of those they claim to protect Their vision will resonate with a wide swath of frustrated citizens and young voters born after the Cold War's end to whom old tribal allegiances prejudices and hang ups about everything from hearing a foreign language on the street to gay marriage to

drug use simply do not make sense
