They Still Pick Me Up When I Fall:

They Still Pick Me Up when I Fall Diana Mendley Rauner,2000 Rauner demonstrates a direct connection between caring in face to face interactions and caring organizations and a caring society arguing that such a connection is central to our teaching of and expectations for youth She also posits caring as a way to conceptualize social justice and recognize the connection between public and private morality Each chapter opens with an overview of a youth serving organization and includes at least one case study Headlock Joyce Sweeney,2015-02-10 Being a pro wrestler takes talent guts and hard work can Kyle make it to the pros and live the life he wants Kyle Bailey is a normal high school senior with a secret ambition to be a wrestling superstar with the WWE When he hears about a wrestling class at the local gym he knows this may be his one shot at making his dream come true The only problem is that no one in his life understands his love of wrestling so he can t tell anyone what he s doing especially not his grandmother who has raised him since he was a kid As Kyle s talent becomes increasingly apparent his instructor takes notice and invites him to wrestle in an upcoming professional match With his newfound success and his beautiful wrestler girlfriend Kyle feels like he s finally exactly where he belongs But when his grandmother s health takes a turn for the worse Kyle is torn between needing to care for her and wanting to follow his dreams He isn t ready to give up on being a pro wrestler but he can t abandon the woman who has taken care of him his entire life Headlock is a heartwarming novel about the strength it takes to let go of what you love and the courage it takes to ask for help Sector 12 and the Art of Falling Joseph Kainz,2018-01-10 It s a hard life being a Frontier Corps Ranger in Sector 12 Operating outside human controlled space dealing every day with hostile alien governments criminals anti Frontier Corps paramilitary groups and the like while serving simultaneously as soldier scout operative spy and roving law enforcement officer Still Red or Rab or Rubicon or a lot of other less polite names manages to stay on top of things Sure his methods might be just a mite err dynamic garnering wholly baseless charges of being terminally insane but at least he s always gotten the job done So far His current assignment might break that streak A Frontier planet is the victim of extremely barbaric raiders and the Ranger they ve sent a distress call to is unavailable In order to fulfill his mission Red might have to be polite to the settlers maintain cordial relations and worst of all perhaps even compromise here and there To die trying no longer seems like the worst possible outcome Chambers's Journal of Popular Literature, Science and Arts ,1870
