Think Agile How Smart Entrepreneurs Adapt In Order To Succeed:

Think Agile Taffy Williams, 2014-11-19 In today's constantly changing business environment the question is not if any unexpected obstacles will try to derail your promising company but when will they rear their ugly heads Your biggest investor bails on you having been lured away to the next new sure thing instead A similar product is unveiled by a more established company A key employee jumps ship to work for a competitor When these obstacles yes plural arrive will you be able to shift strategies products and services on a dime if necessary Unfortunately many entrepreneurs lock themselves into one strategy one product one distribution method and one way of thinking about their business In doing so they limit their potential and lower their chances of capitalizing on economic industry or market changes *Think Agile* wants to help the entrepreneur both assess their level of flexibility and learn to be open minded and option oriented in key areas such as Funding sources Launch timetables Planning Repurposing everything from products to people to names And much more Featuring real life case studies and invaluable tools *Think Agile* is the indispensable guide every entrepreneur must have in order to self evaluate and develop the undeniably essential skill of agility the secret to surviving whatever tomorrow brings

The Crowdfunding Handbook Cliff Ennico, 2016-05-26 IPSs are expensive and venture capital nearly impossible to attract Crowdfunding is changing the game for private companies Are you taking full advantage Think Kickstarter is just for artists and people who don't really want to work for their success Think again In 2012 President Obama signed the JOBS act Jumpstart Our Business Startups empowering privately owned companies to raise capital from investors without going through the rigorous IPO and private placement processes Your private company can now crowdfund your way to success Now that the SEC has handed down the last regulations the floodgates will open and companies will be free to compete for funding Thankfully for you small business and legal expert Cliff Ennico has followed the equity crowdfunding story since its inception and has translated the regulations into a clear set of dos and don'ts for entrepreneurs and small business others looking to get in early In *The Crowdfunding Handbook* burgeoning crowdfunders can learn how to Decipher whether crowdfunding is their best bet Choose between funding platforms Pitch a project to the public Reach the most promising investors Figure out disclosure documents and report requirements *The Crowdfunding Handbook* reveals the tips and tools to help you raise money for your small business or startup with equity funding portals
