Crutcher, III, 2007-12-01 Probably the greatest tragedy of the human race is the failure of the overwhelming majority of people to realize their dreams Your dreams are realized as a result of creating power in your life But because most people have no clue about how to create power in their lives their dreams remain unrealized With that being said quite naturally the question becomes How do I create power in my life The

answer to this question is found within the pages of this book Think about the following You cannot turn on the light in your home without electric power In the same fashion you cannot turn on the dreams in your life without personal power Electric Living The Powerful Life demonstrates the process of creating that personal power necessary to turn on the dreams in your life by relating it to the electric power necessary to turn on a common light bulb in your home That is my promise to you the reader This is NOT just another motivational book And here is why as you will learn motivation is only part of the formula for creating power If all you want is motivation there are countless other books that you can purchase Yes Electric Living The Powerful Life will motivate you but it does not stop there This book goes the extra mile and gives you a formula for creating power the personal power necessary to realize the dreams in your life **Black Enterprise** ,1994-07 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance Wisdom for the Soul of Black Folk Roderick Terry,2007 Another book of quotations Indeed there are numerous excellent extant anthologies of quotations but these tend to be very broad with a bias toward classical and well known authors those works which document the contributions of Black authors have tended to focus on African Americans considerable as their output is Undeniable recognition of this prevalence is reflected in the title of the present volume which pays homage to W E B Du Bois classic work and in the preponderance of entries from American sources Nevertheless effort has been made to cast a wider net to capture under represented and unfamiliar voices Khemetic texts preserved in papyri and stelae are the earliest literature to have survived followed by the writings of North African Romans and Ethiopian philosophers and clerics and the lately recovered Timbuktu manuscripts from their repositories in the desert sands of Mali The Transatlantic slave experience gave rise to the slave narratives and abolitionist literature from both sides of the Atlantic which remained predominant right up to the 20th century Post Emancipation under colonial rule and white domination Black poetry and prose emerged adhering to prevailing standards evidenced typically in the work of Phillis Wheatley and the sonnets of Claude McKay With the Civil Rights and Black Power movements would come iconoclastic expressions of protest and identity There is a sizeable body of literature by Black authors from Africa and the diaspora who speak to universal values and eternal verities This anthology of their work focuses on the inner life on personal development and self actualization 3000 quotations have been selected to inspire enlighten and encourage they have been arranged in 200 psycho spiritual categories and in chronological order The resulting timeline of thought in itself is useful and instructive as it demonstrates very clearly the evolution of consciousness evident in the contemporary thinking on particular subjects Like its predecessor Wisdom for the Soul Five Millennia of Prescriptions for Spiritual Healing this volume contains a full biographical index and bibliographical references Much of the material is anthologized here for the first time **This Game of Hip Hop Artist Management** Walt F.J.
