Think Christianly Looking At The Intersection Of Faith And Culture:

Think Christianly Jonathan Morrow, 2011-11-01 Think Christianly is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don't notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that Think Christianly addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world

Understanding the Faith Jeff Myers, 2016-06-01 Does the Bible have authority in a world committed to relative truth The understanding of absolute objective truth has been largely lost Spend just a few minutes discussing politics or religion and you'll hear responses like There is no truth or That may be true for you but not for me Understanding the Faith dares to wade into the middle of the controversy with chapters such as Is God Christian Isn't Claiming Truth Intolerant Is the Bible Anti Science Summit Ministries half century of teaching this first volume of the Understanding the Times Series is your definitive resource for deepening and defending your faith It's a required resource for every Christian's bookshelf

Questioning the Bible Jonathan Morrow, 2014-07-15 The Bible is the most influential book in human history But what are we supposed to do with it in the 21st century And even more importantly can it still be trusted as the Word of God Confusion and doubt about the Bible are becoming as common inside the church as they are outside Questions come from all sides Is the Bible anti intellectual Has the biblical text been corrupted over the centuries Who really chose the books of the Bible and why Which interpretation of the Bible is correct Are the gospels full of contradictions There are an unprecedented number of sophisticated attacks on the origin credibility and reliability of the Bible today Secularism has tried to undercut even the possibility of spiritual or moral knowledge Skepticism toward institutional religion is at an all time high Yet the Bible claims that truth is knowable and God is actively involved in our world What are we to do Pray for wisdom Think clearly Pick up your Bible Read through the 11 major challenges presented in these pages And be ready

Welcome to College Jonathan Morrow, 2008 To help the upcoming student Jonathan Morrow provides this engaging guide packed with advice on all manner of issues from dating and friends classes and homework to avoiding the temptation to just check out spiritually while in school Morrow gives personal advice and anecdotes draws examples from Scripture and offers additional resources for further insights from publisher description

[Welcome to College](#) 2nd ed Jonathan Morrow, 2017-03-28 The single best volume I have ever read for preparing students for how to

follow Jesus and flourish as his disciple in college J P Moreland Is there a more frightening question for a graduating high school senior than What will you do with your life In college whether they realize it or not students will answer that question every day with each decision All of the new friends and new experiences of higher education will shape their future It is critical that students know how to handle college before they are in the thick of it Jonathan Morrow tackles the tough questions that arise during these formative years including How do you grow spiritually How do you manage your time to both study well and have fun Is all truth relative Are there good reasons to be a Christian As a Christian how should you view issues like dating and sex Each chapter of this new edition has been updated and the author has included a new chapter on Christianity homosexuality and the Bible Grounded in both his own extensive experience and biblical truth Morrow's book is full of quick easy to read chapters and excellent advice Culture Makers Josiah Vencel, 2008-03 God did not call Christians to sit on the sidelines of society But that is precisely what has happened for nearly a century as believers have forgotten about their divinely appointed role in the world Yet history testifies to the remarkable salt and light influence of Bible believing saints who have applied their faith in all areas of life not just within the walls of a church Christ came to transform you into an agent of reconciliation not just to save souls but to redeem entire cultures for his glory If you've ever wondered how to apply your faith consistently to think about life Christianly or to engage the world for Christ Culture Makers will not let you down Culture Makers will answer questions such as Is there a biblical way to see all of life What is Christianity's role in society How do my personal beliefs shape culture How do I respond to unbiblical points of view How can the biblical worldview revitalize my faith And so much more Discover your place in the world Fulfill your calling Become a culture maker

The Nexus Jon H. Widener M.D., 2017-06-28 The Nexus so named because of the operational intersection or Nexus of faith and culture is an alphabetized manual of cultural artifacts of significance to Christians In The Nexus Jon Widener observes how Christianity has lost many battles over the years and how the evangelical community has been fraught with endemic anti intellectualism He sees an evangelical insularity taking the form of retreat and retrenchment from the comings and goings of the larger society Dr Widener proposes that modern Christian believers correct these deficits by exercising the exhortation of I Pet 3 15 KJV to always be prepared to give an answer to every man that asketh you a reason of the hope that is in you Believers should educate themselves on culturally relevant issues where there are questions of Christian morality This is the burden and purpose of the book Accordingly the standard for inclusion is straight forward If the topic is culturally encountered and has moral implications then it meets the threshold standard for inclusion in the work **Gospel Without Borders** Jim Rotholz, 2015-03-04 To what degree does culture facilitate or distort the Christian faith the gospel of Jesus and the life of the church In America the distortion is enormous Gospel Without Borders carefully examines the complex intersection of culture and faith in America providing insights that allow for better understanding and a more genuine experience of biblical and historic Christianity Gospel Without Borders analyzes the formative and interactive roles that

human nature and cultural history play in contemporary expressions of Christianity in America It outlines their profound but little appreciated influence upon the shape and scope of Christian faith within society at large the church and the lives of individuals The study illuminates the dimensions of a largely unheralded gospel message characterized by unimpeded faith that fully accords with the kingdom Jesus stridently proclaimed It outlines the dimensions of faith freed from the disappointing forms of culturalized Christianity that always prove insufficient on a personal level and woefully inadequate to the demands of contemporary life within our globalizing world Today s world can only be effectively impacted through a gospel without borders a compelling gospel most Americans have yet to hear and too many Christians of every cultural and denominational background have yet to fully embrace **Living at the Crossroads** Michael W. Goheen, Craig G.

Bartholomew, 2008-11 An ideal introduction to thoughtful Christian engagement at the intersection of the biblical story and the contemporary world *Every Square Inch* Bruce Riley Ashford, 2015-03-10 Jesus is Lord over everything So his lordship should shape every aspect of life But what impact does faith really have on our day today existence And how should we as Christians interact with the culture In *Every Square Inch* Bruce Ashford skillfully navigates such questions Drawing on sources like Abraham Kuyper C S Lewis and Francis Schaeffer he shows how our faith is relevant to all dimensions of culture The gospel informs everything we do We cannot maintain the artificial distinction between sacred and secular We must proclaim Jesus with our lips and promote him with our lives no matter what cultural contexts we may find ourselves in

God's Image and Global Cultures Kenneth Nehrbass, 2016-08-26 Globalization has raised numerous questions about theology and culture for Christians How should we respond to outsourcing and immigration How does anti Western sentiment affect the proclamation of the gospel What is the role of the church in society This book argues that Christians will be most fulfilled and most effective if they embrace their cultural activity rather than feel ambivalent about it The central question of this book is how does bearing God s image relate to cultural activity Nehrbass explains that spheres of culture such as political technological and social structures are systems that God has instilled in humans as his image bearers so that they can glorify and enjoy him forever Therefore a theology of culture involves recognizing that the kingdom of God encompasses heaven and Earth rather than pitting heaven against Earth The text surveys anthropological explanations for humanity s dependence on culture and shows that each explanation provides only partial explanatory scope The most satisfying explanation is that a major functional aspect of bearing God s image is engaging in culture since the Trinity has been eternally engaged in cultural functions like ruling communicating and creating Each chapter contains a summary and questions about what it means to be a world changer in the twenty first century **A Faith of Our Own** Jonathan

Merritt, 2012-05-08 Every day major headlines tell the story of how Christianity is attempting to influence American culture and politics But statistics show that young Americans are disenchanted with a faith that has become culturally antagonistic and too closely aligned with partisan politics In this personal yet practical work Jonathan Merritt uncovers the changing face

of American Christianity by uniquely examining the coming of age of a new generation of Christians Jonathan Merritt illuminates the spiritual ethos of this new generation of believers who engage the world with Christ centered faith but an unpolarized political perspective Through personal stories and biblically rooted commentary this scion of a leading evangelical family takes a close thoughtful look at the changing religious and political environment addressing such divisive issues as abortion gay marriage environmental use and care race war poverty and the imbalance of world wealth Through Scripture the examples of Jesus and personal defining faith experiences he distills the essential truths at the core of a Christian faith that is now just coming of age

The Culturally Savvy Christian Dick Staub,2008-09-09 In The Culturally Savvy Christian his incisive critique of contemporary culture and religion Dick Staub concludes that though it is influential American popular culture is generally superficial diversionary mindless and celebrity driven spiritually delusional moralistic therapeutic and deistic and soulless sustained not by art craft and ideas but by the mad pursuit of profit propped up by marketing and technology Similarly American Christianity has devolved into its own mindless diversionary and celebrity driven superficiality Because humans are created in God's image with spiritual intellectual creative moral and relational capacities we long for more yet the true seeker faces the lose lose alternatives of a soul numbing culture and a vacuous Christianity lite The renaissance we need in both faith and culture will originate in a deep spiritual renewal that restores God's image in us and creates a new breed of culturally savvy thoughtful creatives who rekindle the spiritual intellectual and creative legacy of Christians as enrichers of culture

Winning the Values War in a Changing Culture Leith Anderson,1994-11-01 This book explores thirteen distinct values essential to Christian discipleship and challenges Christians to impact this nation and generation by simply living like Jesus Christ

The Christian in Today's Culture Charles W. Colson,Nancy Pearcey,2001 Each of these three books Developing a Christian Worldview of Science and Evolution Developing a Christian Worldview of the Problem of Evil and Developing a Christian Worldview of the Christian in Today's Culture is drawn from Colson's highly successful How Now Shall We Live Shorter in length and accessible to readers the Developing a Christian Worldview series is ideal for small group study and classroom use Each chapter begins with pre reading questions and each study session is made up of newly written discussion questions role playing activities and challenges to implement key insights All are designed to help readers grasp Colson's arguments and learn how to use the points effectively with non Christians

Where Faith and Culture Meet Participant's Guide Collin Hansen,Andy Crouch,Mark Galli,2007-09-10 This six session video based study will help your group experience and envision how followers of Christ can be a counterculture for the common good Together you'll experience stories of believers who changed the culture around them You'll watch and discuss how their journeys unfolded their challenges and their breakthroughs

God & Culture D. A. Carson,John Woodbridge,2020-07-30 This book examines a number of facets of contemporary culture and sets forth what thoughtful Christians have been and should be thinking about each one Written in honor of Carl F H Henry on

the occasion of his eightieth birthday the essays in God and Culture are on these topics and by these contributors
hermeneutics Kevin J Vanhoozer pluralism D A Carson eschatology Geoffrey W Bromiley anthropology Robert J Priest
psychology Warren J Heard Jr philosophy George I Mavrodes history Lewis W Spitz economics Ian Smith law Phillip E
Johnson politics Sir Fred Catherwood literature Leland Ryken art Edmund P Clowney media Larry W Poland science Charles
B Thaxton environment Loren Wilkinson bioethics Nigel M de S Cameron human sexuality Armand M Nicholi Jr personal life
style and leisure J I Packer Each of these authors has demonstrated a profound interest in thinking Christianly about his
subject Some of the essays scan the ways previous Christians have tried to evaluate each cultural slice all of them offer some
guidance regarding what Christians need to bear in mind as our culture rushes on Some contributors adopt the well known
grid of H Richard Niebuhr in his classic Christ and Culture others cut fresh paths The aim throughout is to foster fidelity to
Christ and his gospel while encouraging a comprehensive Christian outlook on our rapidly changing world *Clashing
Symbols* Michael Paul Gallagher,2004-01-05 This new edition provides a guide to the relationship between faith and culture
Providing an introduction to all the major figures issues and debates this guide is useful for students and those wishing to
