This Thing Called Love:

This Thing Called Love Angela R. Camon, 2014-02-28 One of the most influential people in a girl's life is her father. Imagine growing up as a little child with an empty void in your heart longing for the love and acceptance of your father. It is unfortunate but many daughters young and old alike can identify with the pain of not having a father present in their lives. The absence of fathers in the lives of their daughters has become an epidemic that has plagued our society and affects many families from all walks of life. Daughters that grow up with a healthy father and daughter bond are often less likely to become a teenage mother, experience depression, experiment with drugs and alcohol, develop body image problems, and engage in criminal activity. Whereas daughters who do not have a father in their lives can experience a plethora of problems. *This Thing Called Love* is about a young girl who shares her story about her life and the various hardships that she experienced as a result of living with a father who is physically present but emotionally absent. Bewildered by his rude comments and his continuous expressions of his disapproval of her, she makes conscious efforts to shine in his eyes. In the pursuit of trying to achieve her father's love, she learns a great deal about God's love. As her relationship with God matures, her newfound faith ignites her determination to win her father over not just for her personal gain but for the benefit of the Kingdom of God.

This Thing Called Love Randy Jernigan, E. Jernigan, Susan Evans McCloud, 2001-02-20 Love is not just a nice feeling about someone. It is the pure and joyful pulse of the universe and being in tune with it means that you are in tune with the forces that bind together the stars on one hand and the atoms on the other. CHIEKO N. OKAZAKI ***This Thing Called Love a Brother/Sister Story*** Evangeline Weiss, 2009-10-05 ABOUT THE BOOK This book is about relationships and about an African American family struggling to survive in the mist of adversities. It is also a testimony of how the author was able to begin identifying the spirit which propelled the writer to persevere into the victorious life she now lives. Evangeline wants her readers to understand what it was like to be caught up in all the events of each particular season of her life. How the mind-boggling places that she resided in made her feel powerless. How the Eternal God's Love somehow reached out and kept her to save her from herself and all of the other evil forces that tried to destroy her destiny. This is her story. *This Thing Called Love* JMGS, 2025-07-11 I am sometimes asked about what motivates me to write and I am always reluctant to give the truthful answer. Here it is: When I have long passed and am no longer of this realm, I want someone to know and to recognize that I was here and that I was fully engaged in this world and that I felt deeply and was attached to nothing yet connected to everything.
