Dr. Kimball and Mr. Jefferson Hugh Howard, 2011-01-15 Yes they make rather an odd couple but truly Thomas Jefferson 1743 1826 and Fiske Kimball 1888 1955 are the Johnson and Boswell of the story of American architecture If not for Dr Fiske Kimball we might never have known that Thomas Jefferson was an architect Though he was hailed as a brilliant statesman Jefferson was all but unknown as an artist and an architect for nearly a century But Kimball an industrious scholar with a keen eye made a series of critical discoveries that changed not just the image of Jefferson but also rewrote the story of American architecture introducing its first real practitioner Benjamin Henry Latrobe Charles Bulfinch William Thornton Robert Mills Kimball identified the key figures who together with Jefferson transformed the craft of building into the art of architecture at the same time setting the aesthetic tone for a young country still struggling to define itself Part detective story part narrative history Dr Kimball and Mr Jefferson recreates the stories of these visionary men through the lens of the amazing Fiske Kimball who in resurrecting their legacy helped found the twin disciplines of historic preservation and architectural history Hugh Howard s books include the definitive *Thomas Jefferson Architect* his memoir *House Dreams* the essay collection *The Preservationist s Progress* and an introduction to the architecture of Williamsburg Colonial Houses He lives in upstate New York with his wife and their two teenage daughters

The Papers of Thomas Jefferson, Volume 40 Thomas Jefferson, 2018-06-05 This volume opens on 4 March 1803 the first day of Jefferson s third year as president Still shaken by the closing of the right of deposit at New Orleans he confronts the potential political consequences of a cession of Louisiana to France that might result in a denial of American access to the Mississippi But he resists pressures to seize New Orleans by force urging patience instead The cabinet determines in April that all possible procrastinations should be used in dealing with France but that discussions with Great Britain move forward as well In Paris a treaty for the cession of the Louisiana Territory to the United States is signed and in May the right of deposit is restored On 3 July word reaches Jefferson in Washington of the agreement that France has sold the entire Territory for 15 million The glorious news which may be the most momentous that Jefferson receives while president appears in the *National Intelligencer* the following day Having received congressional approval to send an expedition to locate a continental route to the Pacific Jefferson drafts instructions and a cipher for Meriwether Lewis and arranges for the needed instruments Following through on a promise to a friend to give his views of Christianity Jefferson puts his religious creed on paper a Syllabus of the morals of Jesus and the comparative merits of Christianity He intends it only for a few trusted friends

The Papers of Thomas Jefferson,

Volume 44 Thomas Jefferson, 2019-12-10 Aaron Burr fells Alexander Hamilton in a duel in July but Jefferson caring little for either adversary or for disruptive partisan warfare gives the event only limited notice He contends with the problem of filling the offices necessary for the establishment of Orleans Territory on October 1 He is constrained by his lack of knowledge about potential officeholders Meanwhile a delegation with a memorial from disgruntled Louisianians travels to Washington In August the U S Mediterranean squadron bombards Tripoli The United States has uneasy relationships around its periphery Jefferson compiles information on British aggressions in American ports and waters and drafts a bill to allow federal judges and state governors to call on military assistance when British commanders spurn civil authority Another bill seeks to prevent merchant ships from arming for trade with Haiti Contested claims to West Florida access to the Gulf of Mexico tensions along the Texas Louisiana boundary and unresolved maritime claims exacerbate relations with Spain Jefferson continues his policy of pushing Native American nations to give up their lands east of the Mississippi River Yellow fever has devastating effects in New Orleans Abigail Adams terminates the brief revival of their correspondence musing that Affection still lingers in the Bosom even after esteem has taken its flight In November Jefferson delivers his annual message to Congress He also commences systematic records to manage his guest lists for official dinners *Thomas Jefferson, Architect* Carole Cable, 1983 Guide to the Microfilm Edition of The Jefferson Papers of the University of Virginia, 1732-1828 University of Virginia. Library, 1977 **The Papers of Thomas Jefferson, Volume 46** Thomas Jefferson, 2022-12-13 A definitive scholarly edition of the correspondence and papers of Thomas Jefferson Congress adjourns early in March and Jefferson goes home to Monticello for a month After his return to Washington he corresponds with territorial governors concerning appointments to legislative councils He peruses information about Native American tribes Spanish and French colonial settlements and the geography of the Louisiana Territory He seeks the consent of Spanish authorities to a U S exploration along the Red River while asserting privately that Spain has met our advances with jealousy secret malice and ill faith A new law extends civil authority over foreign warships in U S harbors and he considers using it also to constrain privateers Federalist opponents bring up antient slanders to question his past private and official actions His personal finances are increasingly reliant on bank loans He starts a search for a new farm manager at Monticello Meriwether Lewis and William Clark write from Fort Mandan in April before setting out up the Missouri River Jefferson will not receive their reports until mid July In the Mediterranean William Eaton coordinates the capture of the port of Derna and Tobias Lear negotiates terms of peace with Pasha Yusuf Qaramanli to end the conflict with Tripoli News of those events will not reach the United States until September **The Papers of Thomas Jefferson, Volume 41** Thomas Jefferson, 2018-06-05 The Louisiana Purchase dominates the months covered in this volume Jefferson departs for Monticello to enjoy a needed respite after the busy three and a half months he has just spent in the nation s capital Shortly before leaving Washington he has a last meeting with his cabinet after which he issues a proclamation to reconvene Congress on 17

October three weeks early It is the great and weighty business of the French government s stunning offer to transfer all of the Louisiana Territory to the United States that necessitates this important gathering The event brings Jefferson enthusiastic congratulations from his friends and fellow Republicans With Jefferson s great success however comes the reality of getting the agreement with France approved and implemented The boundaries of the territory ceded are not even clear In private letters to his trusted advisers Jefferson discusses the proper course of action Should both houses of Congress be called to consider the French offer Is it prudent to make the substance of a treaty public And perhaps most vexing does this executive action require an amendment to the Constitution Some Federalists criticize the plan but an expansion of the nation s territory proponents argue will raise America s stature in the eyes of the world With the widening of the country s borders Jefferson s project to send an exploratory party westward seems even timelier William Clark accepts Meriwether Lewis s invitation to join the expedition and on the last day of August Lewis begins his journey down the Ohio River the building of his boat finally complete
