A Reader's Guide

BY RODNEY SYMINGTON

Thomas Manns The Magic Mountain A Readers Guide

Randolph P. Shaffner

Thomas Manns The Magic Mountain A Readers Guide:

Thomas Mann's The Magic Mountain Rodney Symington,2011 Thomas Mann TM s novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind the War itself If such a war is the true expression of human tendencies what hope is there for the future Through the figure of the main character of the novel Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear cut answers This book is a comprehensive commentary on Thomas Mann TM s seminal novel one of the key literary artefacts of the 20th century The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it NOVELS FOR STUDENTS CENGAGE LEARNING. GALE,2016 **Thomas Mann's The Magic**

Mountain Rodney Symington,2011-09-22 Thomas Mann s novel The Magic Mountain presents a panorama of European society in the first two decades of the 20th century and depicts the philosophical and metaphysical dilemmas facing people in the modern age In the years leading up to the First World War the fundamental elements of human nature were thrown into sharp relief by the political tensions that resulted in the ultimate metaphor for the innate destructiveness of humankind the War itself If such a war is the true expression of human tendencies what hope is there for the future Through the figure of the main character of the novel Thomas Mann explores the alternative philosophies of life available to human beings in the modern age and invites the reader to undertake a personal odyssey of discovery with a view to adopting a positive approach in an era that seems to offer no clear cut answers This book is a comprehensive commentary on Thomas Mann s seminal novel one of the key literary artefacts of the 20th century The author has taken upon himself the task of explaining all the references and allusions contained in the novel and of providing readers who know little or no German with enough explanatory comment to enable them to understand the novel and extract the maximum reading pleasure from it *Study Guide* Supersummary,2019-12-14 SuperSummary a modern alternative to SparkNotes and CliffsNotes offers high quality study guides for challenging works of literature This 47 page guide for The Magic Mountain by Thomas Mann includes detailed chapter summaries and analysis covering 7 chapters as well as several more in depth sections of expert written literary analysis Featured content includes commentary on major characters 25 important quotes essay topics and key themes like The Malleability of Time and The Fetishization of Illness **Thomas Mann's War** Tobias Boes,2019-11-15 In Thomas Mann s War Tobias Boes traces how the acclaimed and bestselling author became one of America s most prominent

anti fascists and the spokesperson for a German cultural ideal that Nazism had perverted Thomas Mann winner of the 1929 Nobel Prize in literature and author of such world renowned novels as *Buddenbrooks* and *The Magic Mountain* began his self imposed exile in the United States in 1938 having fled his native Germany in the wake of Nazi persecution and public burnings of his books Mann embraced his role as a public intellectual deftly using his literary reputation and his connections in an increasingly global publishing industry to refute Nazi propaganda As Boes shows Mann undertook successful lecture tours of the country and penned widely read articles that alerted US audiences and readers to the dangers of complacency in the face of Nazism s existential threat Spanning four decades from the eve of World War I when Mann was first translated into English to 1952 the year in which he left an America increasingly disfigured by McCarthyism Boes establishes Mann as a significant figure in the wartime global republic of letters Open access edition funded by the National Endowment for the Humanities Reference Guide to World Literature Lesley Henderson, Sarah M. Hall, 1995 Overviews of writers and works from the ancient Greeks through the 20th century written by subject experts Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail *A Companion to Thomas Mann's The Magic Mountain* Stephen D. Dowden, 2002 Thomas Mann once told Susan Sontag that he considered *The Magic Mountain* to be his greatest novel And few in his own day doubted the preeminence of this modernist classic But many have argued that the age of literary modernism has passed If this is so how might we best understand Mann s masterpiece now In this book of wide ranging and original essays which also includes a memoir of Thomas Mann by Susan Sontag various scholars and critics explore the meanings of *The Magic Mountain* for the contemporary imagination *Thomas Mann in English* David Horton, 2013-04-11 Thomas Mann owes his place in world literature to the dissemination of his works through translation Indeed it was the monumental success of the original English translations that earned him the title of the greatest living man of letters during his years in American exile 1938-52 This book provides the first systematic exploration of the English versions illustrating the vicissitudes of literary translation through a principled discussion of a major author The study illuminates the contexts in which the translations were produced before exploring the transformations Mann s work has undergone in the process of transfer An exemplary analysis of selected textual dimensions demonstrates the multiplicity of factors which impinge upon literary translation leading far beyond the traditional preoccupation with issues of equivalence Thomas Mann in English thus fills a gap both in translation studies where Thomas Mann serves as a constant but ill defined point of reference and in literary studies which has focused increasingly on the author s wider reception **Monograph Series** , 1972 The Apprenticeship Novel Randolph P. Shaffner, 1984 The idea that a young person can become adept in the art of life by passing through definite stages until at last he becomes a master lives at the core of the apprenticeship novel Recognized among German critics as the Bildungsroman this type of novel has yet to be adequately defined on a grand scale for the English reader despite nearly two centuries of its development In an attempt to describe the apprenticeship novel as a

modifiable type in Western literature Mr Shaffner combines a theoretical stance with analyses of three concrete examples drawn from over a hundred potential candidates *Reference Guide to World Literature* Tom Pendergast,2003 Covers writers from the ancient Greeks to 20th century authors Includes biographical bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature Each author entry provides a detailed overview of the writer s life and works Work entries cover a particular piece of world literature in detail **Main Currents in American Criticism of Thomas Mann** Herman Ramras,1949 **Avantgardism and Modernity** Péter Egri,1972
Monatshefte Für Deutschen Unterricht ,1945 *Monatshefte für deutschen Unterricht* Max Griebisch,Robert Oswald Röseler,1945 **Monatshefte** ,1945 **The Magic Mountain** Thomas Mann,2023-07-26 NOBEL PRIZE WINNER A monumental work of erudition and irony sexual tension and intellectual ferment The Magic Mountain is an enduring classic With this dizzyingly rich novel of ideas Thomas Mann rose to the front ranks of the great modern novelists winning the Nobel Prize in Literature in 1929 The Magic Mountain takes place in an exclusive tuberculosis sanatorium in the Swiss Alps a community devoted to sickness that serves as a fictional microcosm for Europe in the days before the First World War To this hermetic and otherworldly realm comes Hans Castorp an ordinary young man who arrives for a short visit and ends up staying for seven years during which he succumbs both to the lure of eros and to the intoxication of ideas *Subject Guide to Books in Print* ,1996 *In Defense of Practical Reason* Konstantin Kolenda,1969 **The Education Index** ,1966

Immerse yourself in heartwarming tales of love and emotion with Crafted by is touching creation, **Thomas Manns The Magic Mountain A Readers Guide** .
