Thompson Chain Reference Bible Fifth Improved Edition:

The Making of an Apostle, Volume 3, "Knowledge, Wisdom and Understanding" Apostle Sharon Loving Ruff, 2013-08-22 Volume 3 Knowledge Wisdom and Understanding shares another captivating glimpse into Apostle Sharon Loving Ruff's 27 year journey as a Black American female God sent servant in this generation. Every thought provoking chapter journals a particular experience, revelation or adventure which occurred as she was sent to convey God's response to specific prayers from His people or as training for future ministry assignments. Thus she provides a unique perspective of the heart of God towards humanity. His love, compassion, forgiveness, mercy, grace, as well as displeasure, chastisement and judgment. Armed with Rhema Words from the mouth of God, Biblical revelation, knowledge and spiritual giftings from her Apostolic calling, her journals not only share God's response to various situations but also exposes Satan's deceptive tactics which were used to interfere with or to derail people's ability to reach their next level of development until God sent her to them as His messenger. Thus her service unto the Lord yields first hand experience in trying to help individuals escape or avoid pitfalls and dangers from limiting themselves to carnal assumptions. It is not surprising that by unveiling mysteries of God she shows how God's timing and manner of response to situations is often different than mankind anticipates. Apostle Sharon's inspiring stories also delineate the far reaching implications of God SENT words, written, visual or audible, and variances in the human struggle to advance beyond carnality into the realm of unlimited divine possibilities. These Rhema writings offer manna from on high for those seeking greater truths and or answers to perplexing situations, spiritual growth and maturity and how to walk in intimacy with the Almighty God Jesus the Christ and the Holy Spirit. **After 400 Years of the King James**

Version of the Bible Rear Admiral Joseph H. Miller, 2011-11-15 The King James Version has proved itself for 400 years. The greatest translators in history translated it. A king directed them to translate it into English, reproducing the original language of God's Word as close as possible. One must use a literal translation. My review suggests only three qualify: The King James Version, English Standard Version and the New Revised Standard Version. The Dynamic Equivalent translations are not recommended because they omit or add words to God's original Words. First things are put first with a technique of presenting God's Word to an individual who has never heard the name of Jesus. The best criteria for selecting a Bible translation are outlined, including a back up. Bible Five bits of knowledge needed for Bible study are given. The spirituality of the translators, including Wycliffe and Tyndale, are noted. The King James Bible used today is the 1769 edition by Blayney. Over 50 martyrs who died for God's Word are reviewed. One of the greatest military battles for the preservation of God's Word is reviewed in detail. There have been no manuscript discoveries that change the doctrine of the King James Bible. *The Making of an Apostle, Volume 4, "My People Are Waiting for Me, Inside of You"* Sharon Loving Ruff, 2014-12-30 It's time to blow the trumpet in Zion as Apostle Sharon Loving Ruff reveals another amazing glimpse into her twenty eight years of service as a God sent servant in the last book of this intriguing series. To those who are interested in developing intimacy and

walking with God entering into the next level of divine destiny learning how to follow the Holy Spirit advancing in spite of rejections from the Body of Christ strategically waging spiritual warfare and overcoming carnal and spiritual obstacles to forward movement in Christ Volume 4 My People are Waiting for Me Inside of You is for you The fruit of Apostle Sharon s obedience to the Holy Spirit is clearly seen as her writings reveal Rhema words for this generation revelation knowledge timeless truths keys to operate in Kingdom authority based upon divine principles priceless how to s for running this Christian race to the finish line as well as troubling secrets about an occult organization and spiritualists She unashamedly shares personal inner struggles and weaknesses which surfaced while serving the Lord and details how she overcame them through the Blood of the Lord and the Word of God so others can triumph when faced with similar challenges Through her unique perspective and humble representation as His apostle this book offers captivating testimonies of her service to the Lord on the mission field within the United States and internationally in Korea Canada and West Africa and demonstrates how He has used her to release blessings impart spiritual gifts destroy satanic strongholds and usher many into their divine purpose through the miraculous workings of His Holy Spirit proving an age old prophecy Through Jesus finished work on the Cross of Calvary the Almighty God will establish a tabernacle within ordinary yielded human vessels to reveal His manifested glory in His timing for His purposes *Bible Review* ,1990 Jesus Christ: the Trinitarian God Nannette R.
