Thoracic Imaging A Core Review:

Thoracic Imaging: A Core Review Stephen Hobbs,Christian Cox,2015-08-10 The Core Review Series will be the first and only reference specifically designed for this new exam Each title will consist of approximately 300 questions in a format similar to the exam with image rich MCQs Answers to the questions will be discussed in a concise manner along with explanations of each choice followed by relevant references Thoracic Imaging A Core Review will cover questions ranging from the basics of imaging normal anatomy ICU radiographs pathology all diseases relevant to thoracic imaging and trauma

Search Pattern: A Systematic Approach to Diagnostic Imaging Long H. Tu,2022-06-30 Search Pattern is a collection of step by step guides to more than a hundred of the most common types of studies in radiology Blind spots reported in the literature as well as practical wisdom from experts is synthesized into highly structured processes that can guide the development of better practice Much of the contained insight has never been organized in one place before Search Pattern covers almost every type of study that a radiologist will encounter in training or practice This text is written with the assumption that the reader has familiarity with basic radiologic terminology anatomy and physics In the interest of brevity almost all information outside of the organized approaches is omitted The reader is encouraged to look up terms images and background information from supplementary resources Formalized teaching of search patterns is a missing part of the educational literature in our field Hopefully this book helps fill that void It is one that I would have benefited from greatly when I was a resident

Vascular and Interventional Radiology: A Core Review Brian Strife,Jeffrey Elbich,2019-03-19 Designed specifically for the Core Exam Vascular and Interventional Radiology A Core Review covers all key aspects of the field mimicking the image rich multiple choice format of the actual test Ideal for residents preparing for the Core Examination as well as practitioners taking recertification exams this unique review follows the structure and content of what you ll encounter on the test effectively preparing you for Core Exam success
