Those Beautiful Eyes:

The Beautiful Eyes of Ysidria Charles A. Gunnison, 2019-12-10 In *The Beautiful Eyes of Ysidria* Charles A. Gunnison weaves a captivating narrative that explores themes of identity, belonging, and the cultural interplay between myth and reality. Set against the lush backdrop of a fantastical landscape, the story unfolds through rich, lyrical prose that evokes the sensory experiences of the protagonist's journey. Gunnison's literary style blends elements of magical realism with deep psychological insight, making it a poignant exploration of human emotion and connection. The novel engages with the postmodern context of contemporary literature, tapping into both allegorical and literal interpretations of beauty and perception. Charles A. Gunnison, an author with a diverse background in anthropology and creative writing, draws on his extensive travels and experiences in various cultures to breathe life into Ysidria's vibrant universe. His passion for storytelling is evident in his meticulous character development and world building, offering readers a glimpse into his own reflections on the human condition. Gunnison's unique perspective allows him to challenge conventional narratives and illuminate the struggles faced by the marginalized in society. I wholeheartedly recommend *The Beautiful Eyes of Ysidria* to readers seeking a profound and enchanting exploration of the complexities of existence. This literary gem not only immerses one in an otherworldly adventure but also invites contemplation on the deeper truths of life, making it an essential read for those who appreciate nuanced storytelling.

"Those Beautiful Eyes" ... Branch Cowell, 1915 **The Beautiful and Damned** F. Scott Fitzgerald, 2011-11-30 Transparently based on the lives of Fitzgerald and his beautiful wife Zelda, this novel traces the meteoric rise and fall of glittering young socialites Anthony and Gloria Patch. Building their marriage on the shaky foundation of an expected inheritance, they devote their youth and happiness on hedonistic pursuits that plunge them into moral and financial bankruptcy.

The Beautiful and Damned (□□□□□) Francis Scott Fitzgerald, 2011-03-15 **Chicago Stories** James Thomas Farrell, 1998 Presents twenty-five short fiction stories by American author James Farrell drawn from his first ten collection, all set in Chicago. *The Husband Hunters* Anne de Courcy, 2017-06-01 Towards the end of the nineteenth century and for the first few years of the twentieth, a strange invasion took place in Britain. The citadel of power, privilege, and breeding in which the titled land-owning governing class had barricaded itself for so long was breached. The incomers were a group of young women who fifty years earlier would have been looked on as the alien denizens of another world, the New World, to be precise. From 1874, the year that Jennie Jerome, the first known Dollar Princess, married Randolph Churchill, to 1905, dozens of young American heiresses married into the British peerage, bringing with them all the fabulous wealth, glamour, and sophistication of the Gilded Age. Anne de Courcy sets the stories of these young women and their families in the context of their times. Based on extensive first-hand research, drawing on diaries, memoirs, and letters, this richly entertaining group biography reveals what they thought of their new lives in England and what England thought of them. *Men and Women of the Eighteenth Century* Arsène Houssaye, 1857 **The Odd Fellows' Magazine**, 1841 **Faith of the Heart**

Ode to an Angel Danny Klein, 2003-03-25 My days are difficult my nights even harder But as I lay down each night I attempt to close my eyes which have become nothing more than teardrop castles I search for comfort in a world that seems so cruel and hope as dreams fall upon my swollen eyes that my angel may my soul witness I love her more than words can say and this is the story of us Through actual poems and a dream so kind the memories of our wonderful life together comes alive I just hope that the world may realize but a brief understanding of how wonderful Danielle truly was and how she was in all her intangibles an angel to us all

Not Just Child's Play Felicia R. McMahon, 2007 Felicia R McMahon breaks new ground in the presentation and analysis of emerging traditions of the Lost Boys a group of parentless youths who fled Sudan under tragic circumstances in the 1990s With compelling insight McMahon analyzes the oral traditions of the DiDinga Lost Boys about whom very little is known Her vibrant ethnography provides intriguing details about the performances and conversations of the young DiDinga in Syracuse New York It also offers important insights to scholars and others who work with refugee groups The author argues that the playful traditions she describes constitute a strategy by which these young men proudly position themselves as preservers of DiDinga culture and as harbingers of social change rather than as victims of war Drawing ideas from folklore linguistics drama and play theory

the author documents the danced songs of this unique group Her inclusion of original song lyrics translated by the singers and descriptions of conversations convey the voices of the young men Well researched and carefully developed this book makes an original contribution to our understanding of refugee populations and tells a compelling story at the same time Felicia R McMahon is a research professor in anthropology at Syracuse University A former Fulbright Scholar she has published in several folklore journals and is the coeditor of *Children's Folklore: A Sourcebook* which won an American Folklore Society Opie Prize for Best Edited Book *The Ladies' Garland*, 1839
