Those Who Can Coach Those Who Can Coach:

Telesales Coaching Jim Domanski, 2012-10 Are you absolutely satisfied with the sales results of your telesales team Do you think that your sales could be or should be better If you're serious about getting the absolute best from your inside sales team and improving their sales results then this book is for you Written for B2B telephone sales managers owners and executives Telesales Coaching is a practical no nonsense guide on how to help your sales reps sell smarter sell better and sell more There are two fundamental reasons why your telephone sales reps don't sell as much as they could or should The first reason is that many reps are not very good at selling despite formal and ongoing training Over time telephone reps dilute the fundamentals cut corners get complacent forget techniques or fail to master the skill sets that will lead to increased sales The second reason is that the majority of telesales reps do not get the coaching and support that they need to excel at sales Most telephone sales managers have been taught how to be managers not coaches Consequently telesales reps do not get the proper constructive feedback and encouragement they need to change their selling behavior and improve Until now Telesales Coaching provides you with a proven and practical four step process on how to coach your telephone reps and help them increase their sales It's extremely effective because it focuses on precisely how to get reps to overcome their natural resistance to change and to modify their behavior on a consistent basis Easy to learn and easy to apply the coaching techniques offered are based on common sense principles of learning and development Here is some of what you'll learn Why most companies don't coach The six things coaching definitely is not Why you can't coach without clearly defined standards Understanding that telesales is not a numbers game it's a results game How often you should monitor your reps the answer may surprise you Where when and how to monitor your reps How to use an analyzing algorithm to avoid petty feedback Who not to coach Why the sandwich feedback technique is a waste of time and effort Why numeric rating systems are destructive The Socratic feedback model the absolute best way to provide feedback Other methods to enhance the coaching process Based on twenty plus years of helping companies throughout North America implement successful telephone selling programs this book gives you everything you need to turn your ordinary telesales reps into extraordinary telesales reps

The Master Coach Gregg Thompson, 2017-04-04 Today coaching is recognized to be one of the most effective human resource development processes available and it is becoming increasingly popular in organizations of all sizes Faced with historically low levels of employee engagement as little as 13% according to Gallup's latest survey business leaders see coaching as key to unlocking the human talent creativity and innovation that is hiding in plain sight in their workplaces And rather than bring in external coaches for this purpose they want to integrate coaching into their company culture a 2015 study by the International Coaching Federation ICF and the Human Capital Institute HCI found that 81% of organizations surveyed planned to train managers leaders in coaching skills The Master Coach is written for these leaders and is perfectly positioned to become the definitive book on the topic Drawing on the wealth of experience that has made Gregg Thompson

and Bluepoint Leadership Development the choice of numerous Fortune 100 companies it illuminates the essence of what it takes to be a great coach The Master Coach will appeal to leaders at all organization levels showing them how to make a significant shift in their attitudes values and behaviors and become more coach like in all of their daily interactions and conversations The Master Coach is based on the simple but profound 3Cs Coaching Model This proven approach asserts that to master the art of coaching one must have an exemplary Character that invites the trust of others be able to form rapid Connections with others at deeply personal level and have the ability to initiate and guide intense attitude changing Conversations At every step Thompson reminds readers that coaching is not merely about what the coach says or does it is about who he or she is

Therapist into Coach Julia Vaughan Smith, 2006-12-16 How does coaching differ from my current work as a therapist If I became a coach what additional skills and expertise might I need What sorts of markets might I work in and what sort of income could I expect What are the implications if I decided to run a mixed practice of coaching and therapy counselling This book is written for qualified and experienced psychological therapists who are interested in what coaching may have to offer their clients or their practice It considers what coaching is the routes by which people have become coaches the coaching client coaching methods and the issues within running a mixed practice This includes a thorough exploration of the points of difference between therapeutic and coaching models including the nature of interventions mind set of the coach and the structuring of the process Aspects of therapeutic models which are inappropriate for coaching are highlighted as well as the elements which add a richness to it There are examples of dialogue between coach and client and short case studies throughout the book which illustrate the coaching process and exemplify the voice of coaching Therapist into Coach provides key reading for psychotherapists counsellors and psychologists who are thinking of widening the case mix of their practice of moving into new markets or who want a different relationship with their clients It will also help coaching trainers or coaching students understand the similarities and differences between coaching and counselling

Instant Coaching Paul Birch, 2001 Instant Coaching is intended to boost coaching skills fast and provide a good grounding in this skill As with other books in the series each exercise also has a star rating showing the strength of the technique in a variety of situations

Conflict Coaching Fundamentals Samantha Hardy, 2021-09-30 We naturally create stories to help us make meaning of our world but in conflict situations the kinds of stories we typically tell ourselves can actually make it harder for us to manage and resolve the conflict constructively This book provides an accessible framework for understanding why people tell their conflict stories the way they do and how to help them move away from conflict stories that prevent them from understanding and responding to conflict in an effective way Presented using highly engaging and accessible cases the book is designed to help people working with others in conflict to fully support them by understanding which areas of the conflict story to focus their attention on and using practical techniques to support people to rewrite their story into a more constructive one to better manage the situation The book also provides practical strategies to help people

who are themselves in a conflict scenario to rewrite and enact a version of their conflict story that helps them to more constructively manage and often resolve their situation A conflict management coaching system is introduced that is designed to address the particular problems created by dysfunctional conflict stories This is a book specifically for those who work with people in conflict mediators conflict coaches managers lawyers HR staff teachers and also for anyone who wishes to better understand their own experience of conflict

Coaching Life-Changing Small Group Leaders Bill

Donahue,Greg Bowman,2009-05-26 Small groups transform churches and lives Small group leaders often feel the weight of shepherding their members But who shepherds the shepherd And what are the best ways to provide that support and guidance These are the questions answered in Coaching Life Changing Small Group Leaders When you re called to coach a small group leader in your church your mind may be filled with questions Am I godly enough What do I have to offer How do I begin Although the challenge seems immense this handbook breaks down the work into reassuring and achievable steps Originally self published by Willow Creek Community Church this expanded and improved edition offers field tested and biblically supported advice on such topics as modeling a surrendered life to those you shepherd gaining the tools and wisdom you need for coaching helping leaders grow spiritually nurturing the spiritual development and support of leaders For those who want to coach with excellence and truly help small group leaders thrive this go to guide offers practical answers and inspiring examples You ll find both challenge and promise in these pages as you learn to carry forth your God given calling with confidence We ask small group leaders to come alongside their group members but often no one comes alongside them This is a great tool from two people who have done exactly that for a long time Small group leaders everywhere will benefit from this kind of coaching
