Thoughts Patio Wava Guin:

Thoughts from the Patio Wava Guin, 2015-12-17 One day while on the patio I realized this is where I am most of the time when my writings begin to take shape I soon became aware there was no distraction out there It wasn't long before my thoughts told me there was nothing between Him and me There was no roof walls TV nothing All there is in my special spot is God and I He has a direct line to my mind and it is always special when I am in the presence of the Lord and His creations I hope others will find some comfort in the words written in the pages of this book My prayer and hope for you as you read these pages is that God will open new meaning for you and comfort you in some way There are words of comfort sadness peace and joy running along each page One never knows what thoughts will come when you just take a little time and have a conversation with God Allow God to talk to you as you read the following pages I pray you will be blessed find comfort and realize that you too can make it through the trials and tribulations you are now walking through You may not be in the exact same place but your situation may be similar Most of the chapters are areas that I have walked through Some fun some not so fun but the main thing to learn is to just keep walking ABOUT THE AUTHOR Wava is an ordained minister and published author She pastured a church for several years but because of an accident has resigned from pasturing She is a mother grandmother and great grandmother She now lives in central Oklahoma *Culture's Futures* Eric Aronoff, 2025-02-24 This book argues that science fiction has been a key participant along with anthropology and literary theory in the interdisciplinary debates over culture and narrative form from the modernist period to the present Both science fiction and the anthropological ethnography in their modernist forms and post modern postcolonial reinventions are intertwined technologies for constructing culture and difference through narrative worldbuilding This book traces the ways SF authors including Ray Bradbury Ursula K Le Guin and Octavia E Butler as well as Indigenous futurists Craig Strete Celu Amberstone Rebecca Roanhorse and Cherie Dimaline have deployed interrogated and revised these models of culture representation and power to imagine new futures **Florida**, 1997 **CD Review Digest**, 1994 **The Author's & Writer's Who's who** Edward Martell, 1960 Congressional Record United States.
