What Has No Place, Remains Nicholas Shrubsole, 2019-07-04 The desire to erase the religions of Indigenous Peoples is an ideological fixture of the colonial project that marked the first century of Canada's nationhood While the ban on certain Indigenous religious practices was lifted after the Second World War it was not until 1982 that Canada recognized Aboriginal rights constitutionally protecting the diverse cultures of Indigenous Peoples As former prime minister Stephen Harper stated in Canada's apology for Indian residential schools the desire to destroy Indigenous cultures including religions has no place in Canada today And yet Indigenous religions continue to remain under threat Framed through a postcolonial lens *What Has No Place Remains* analyses state actions responses and decisions on matters of Indigenous

religious freedom The book is particularly concerned with legal cases such as *Ktunaxa Nation v British Columbia* 2017 but also draws on political negotiations such as those at Voisey's Bay and standoffs such as the one at Gustafsen Lake to generate a more comprehensive picture of the challenges for Indigenous religious freedom beyond Canada's courts With particular attention to cosmologically significant space this book provides the first comprehensive assessment of the conceptual cultural political social and legal reasons why religious freedom for Indigenous Peoples is currently an impossibility in Canada
