in Heaven were greater than they could have imagined God made sure of that Phil is a retired psychologist who has lived and worked most of his life in the Midwest Since becoming a Christian forty years ago he has been interested in the Biblical study of End times At first it was more a fascination with end times realities like the Great Tribulation the Antichrist and the Rapture Now the interest is in sharing with others what the Bible teaches about these approaching realities Phil s heart is to help the Church become faithful and committed during these perilous last days Hopefully this novel accomplishes that purpose

The New Brothers Grimm and Their Left Behind Fairy Tales David T. Morgan, 2006 The New Brother s Grimm examines the twelve volumes of the very popular Left Behind series by Tim LaHaye and Jerry B Jenkins relating the story and the theological arguments of each book and then challenging those arguments One of the centerpieces of their interpretation of the Bible is that the church of Christ will be raptured to be with Christ for seven years During that time people who have been left behind will have an opportunity to accept Christ as savior but they will have to pass through the tribulation a time of unimaginable horror with Satan ruling the world At its end Christ will appear with his heavenly army and defeat the forces of Antichrist in the battle of Armageddon After that Christ will establish an earthly kingdom lasting exactly 1000 years during which Satan will be bound in the bottomless pit Ultimately the author suggests that the theological premises set forth in the series are at best dubious and at worst theological snake oil

Media and the Apocalypse Kylo-Patrick R. Hart, Annette Holba, 2009 Responding to a plethora of media representing end times this anthology of essays examines pop culture s fascination with end of the world or apocalyptic narratives Essays discuss films and made for television movies including Deep Impact The Core and The Day After Tomorrow that feature primarily human made catastrophes or natural catastrophes These representations complement the large amount of mediated literature and films on religious perspectives of the apocalypse the Left Behind series and other films books that deal with prophecy from the Book of Revelation in the Bible This book will be useful in upper level undergraduate graduate courses addressing mass media film and television studies popular culture rhetorical criticism and special advanced topics In addition the book will be of interest to scholars and students in disciplines including anthropology history psychology sociology and religious studies

The Seventh Vial Mark Goodwin, 2017-11-21 The ultimate battle which will decide the fate of Heaven and Earth has finally come Everett and Courtney Carroll have fared better than most through the past seven years of the Great Tribulation but the eve of Armageddon refuses to let them live out the last hours of this present age without conflict trouble and persistent peril The Bible has prophesied of the Seven Vials of God s Wrath the final judgments which will utterly destroy what s left of a decimated planet These calamities will bring a plague of festering boils upon the followers of the Antichrist rivers and seas will turn to blood and a global earthquake will raze the cities of the earth to the ground All of this in the midst of the war to end all wars Everett and Courtney must leave their sanctuary of relative safety but there is nowhere left to turn And getting anywhere in these last days means traversing wastelands patrolled by Global Republic drones or crossing hostile deserts

Rapture Crawford Gribben, 2009-02-02 For the past twenty years evangelical prophecy novels have been a powerful presence on American bestseller lists Emerging from a growing conservative culture industry the genre dramatizes events that many believers expect to occur at the end of the age the rapture of the saved the rise of the Antichrist and the fearful tribulation faced by those who are left behind Seeking the forces that drove the unexpected success of the Left Behind novels Crawford Gribben traces the gradual development of the prophecy fiction genre from its eclectic roots among early twentieth century fundamentalists The first rapture novels came onto the scene at the high water mark of Protestant America From there the genre would both witness the defeat of conservative Protestantism and participate in its eventual reconstruction and return providing for the renaissance of the evangelical imagination that would culminate in the Left Behind novels Yet as Gribben shows the rapture genre while vividly expressing some prototypically American themes also serves to greatly complicate the idea of American modernity assaulting some of its most cherished tenets Gribben concludes with a look at post Left Behind rapture fiction noting some works that were written specifically to counter the claims of the best selling series Along the way he gives attention not just to literary fictions but to rapture films and apocalyptic themes in Christian music *Writing the Rapture* is an indispensable guide to this flourishing yet little understood body of literature **Bible**

Prophecy Under Siege Ron Rhodes, 2024-02-13 Understanding and Answering False Claims about Prophecy Many people

today cast doubt on the promises God gives his church in Bible prophecy as predicted by Scripture itself Scoffers will come in the last days with scoffing following their own sinful desires They will say Where is the promise of his coming 2 Peter 3 3 4 Bible Prophecy Under Siege provides a thorough survey of the misunderstandings and misguided thinking people sometimes have about the last days Prophecy expert Ron Rhodes offers you careful guidance through these differing viewpoints and you will learn the ways Bible prophecy is under siege and how to respond to false claims biblically gain helpful historical insights about the rapture and other prophetic issues be emboldened to hold firmly to prophetic biblical truth during trying times be encouraged to live with conviction rooted in God s Word With a perspective grounded in the Bible you will be equipped to discern flawed views on prophecy rest secure in immovable truth and grow in anticipation of the day when Christ will make all things new
