Revelation: Tribulation and Triumph Practical Christianity Foundation, 2022-09-08. The Book of Revelation rings with familiar imagery and verses but what does it tell us about the last days? Now, through this easy-to-read devotional commentary, Revelation will come alive as you venture into the powerful and dynamic message of this prophecy and diligently study the Second Coming of Jesus Christ.

The Triumph of Grace Daniel I. Block, 2017-11-06. The Apostle Paul's negative statements about the law have deafened the ears of many to the grace that Moses proclaims in Deuteronomy. Most Christians have a dim view of this book which they consider to be primarily a book of laws. However, when we read or hear it read orally without prejudice, we discover that rather than casting Moses as a legislator, he appears as Israel's first pastor whose congregation has gathered before him to hear him preach his final sermons. Accordingly, Deuteronomy represents prophetic preaching at its finest as Moses seeks to inspire the people of God to a life of faith and godliness in response to God's repeated demonstrations of grace. Deuteronomy is a dead book for many because we have not recognized this gospel; we have heard only law. The essays in this collection arise from a larger project driven by a passion to recover for Christians the life-giving message of the Hebrew Scriptures in general and to open their ears to God's amazing grace in Deuteronomy in particular. The wide-ranging meditations in this volume do not all focus equally on the topic of God's grace, but this theme undergirds them all.

Setting Our Affections Upon Glory Martyn Lloyd-Jones, 2013. In this compilation of previously unpublished sermons, well-known pastor Martyn Lloyd Jones powerfully exhorts Christians to focus their affections on the God of the Bible, addressing issues such as prayer, the church, and evangelism.

Early Christian Literature Helen Rhee, 2005. This work concerns the early Christians' self-definitions and self-representations in the context of pagan-Christian conflict reflected in the literatures from the mid-second to the early third centuries (ca. 150-225 CE).

Christian Faith and Life, 1908 **The Christian's Triumph Over Death** Job Orton, 1752

This Present Triumph Richard M. Cozart, 2013-09-17. The author of *Ephesians* shows an interest in the Isaianic new exodus (INE) in facilitating his focus on the present triumph of the people of God. The recipients required both insight and confidence, especially in regard to the certainty of their salvation, its mysterious nature, Jewish-Gentile relations, and their former manner of life. In the face of these challenges, the author maintains that victory is secured through God's choice of them and the working of his redemptive program, which inevitably leads to triumphal blessings. As with the exodus,

era Hebrews the readers participate in paschal redemption now embodied in Christ along with his resurrection and ascension as the triumphant new exodus warrior over principalities and powers In addition and as predicted by OT writers Gentile proselytes share the blessings of the new exodus but now on equal footing and access as Jewish Christians creating a new eschatological temple Triumphant Christ distributes gifts facilitates Spirit endowed living and enables Christian warfare that mirrors Yahweh and his servant The recipients of the epistle appear to be called to view INE triumph as above below now and not yet while not discarding current applications on earth **International Sunday School Evangel** ,1903
