Zero at the Bone Erec Toso, 2007-04-19 Late one evening in the summer of 2003 Erec Toso arrived home to his wife and children after an ordinary day at his university office In the darkness of his yard a rattlesnake lay along the path basking in the post monsoon coolness Toso lost in thought never saw the snake which struck him on the foot and injected a huge dose of venom Zero at the Bone is a deeply personal narrative about Toso's physical recovery and emotional transformation following this near death experience In elegant prose that inspires as much as it unsettles Toso takes the reader along with him on his expedition into the uncharted territory of cellular damage hallucination and ultimately profound spiritual awakening On all levels it is a book about pain Toso spares no detail in his accounts of agonizing hospital procedures in his revelations about rattlesnake lore or in his descriptions of the wide ranging effects of snake venom But quickly the reader realizes that the physical pain of the snakebite is only the more tangible marker of the psychological pain and turmoil that Toso endures in the emotional journey that ensues In the months that follow his terrifying attack priorities daily habits family relations and definitions of self all come into question What is predictable becomes problematic what is comfortable becomes disconcerting In a story that hinges on a common fear about an unlikely event that of a snakebite Toso uncovers a more widespread reality that many of us do not fear enough complacency

That evening at the restaurant Spriha had confided to Auro even when they broke up he was always in her mind. Pulsating, throbbing. Kind of like a tumour. When Auro asked her why she hadn't excised him she said it was too late. Auro had already spread inside her. Did she mean it literally? Had Auro's half truth metastasised to a point where it could no longer be surgically removed from Spriha's life? While Auro holds his tears hostage, why does Spriha extort those promises from him before she logs out of his life for the final time? Why does she pass the buck of that envelope to Auro? What's in it for him? The answers lie across the country in Spriha's hometown, Kolkata. Ferreting down the Departure Hall, the airline staffer announces the last and final call. Auro's feet are cold and his palms sweaty. He has broken promises before. What frigging difference does it make if he breaks one more? Spriha is never going to know. She isn't watching anymore.
