Zimbabwe My Home My Frustration Articles Of Defiance:

Zimbabwe My Home My Frustration Elliot Pfebve, 2011-06-01 Zimbabwe my home my frustration Articles of defiance is a vivid book covering everyday struggle of opposition politicians MDC supporters and ordinary Zimbabweans under the brutal rule of Robert Mugabe. Many books about Zimbabwe in the Mugabe era are written by authors detached from the real struggle; this book is written by a victim, an opposition politician and a fighter for peace and justice, at times peering through a detention cell window. Some of the horrifying incidents were targeted at the author and his supporters; some scenes amount to genocides. The book also includes a catalogue of pictures of defiance. This book is a must for those who want to explore Zimbabwean historical perspective from liberation struggle to independence, the golden period and the tyrannical period of Robert Mugabe driving the country to the brink of a failed state. It covers the whole of Zimbabwe's turmoil; its factual details have never been seen. This second edition includes a helicopter view of destruction as the author returns to Zimbabwe after 9 years. A must to read. The Times Index, 2010. Indexes the Times Sunday times and magazine Times literary supplement Times educational supplement Times educational supplement Scotland and the Times higher education supplement.
