faith set this book aside But if you feel trapped by your tradition Hard Reset will come as a relief It questions modern
assumptions about issues like What was the good news Jesus taught Will God torment people in hell forever What is church
and do I really have to go Was the cross a human sacrifice to appease an angry God Might everything come out okay for
everyone in the end Dr Robertson sorts through Scripture and tradition to rediscover a message as fresh as the grass on the
hills of Galilee **Divine Reset** Ella Sanvictores,2020-12-01 Thank you for getting a copy of my first published book Divine

2020 fast forward to 2022 this book continues to minister to people not only through paperback but ebook as well As the
author of this book I can confidently say that this is a more intense and more improved version of the original and I am so
excited how this book will impact your life as it did hundreds of others in its first and second printing including my ebook

trusting that this book will be an instrument to your life reset I am sharing with you a more amplified and revised message I
wrote last year when I first released this book This book you re holding right now literally cost my life blood sweat and tears
It took me a total of four months to produce this book from conceptualization to production via ebook and paperback It
seemed like divine acceleration but it was actually about the year 2010 when the Lord gave the desire to write my own book I
remember how much of a voracious reader I was back then when this desire and prayer was birthed in me and I still love to
read up to now The production of this book was truly supernatural considering it was written and printed in the midst of the
COVID 19 global pandemic that we are still experiencing up to now as of this printing we are now over two years into this
global pandemic Not to mention it was while writing this book when I experienced one of the most intense battles I have ever
faced in my Christian life in my three decades of being a Christian I know there is an equivalent positive opposite
breakthrough in store for you as my reader If only for this I know this book will be worth it as you read it and apply the
Kingdom principles to your life from Isaiah 43 18 19 Forget the former things do not dwell on the past See I am doing a new
thing Now it springs up do you not perceive it I am making a way in the desert and streams in the wasteland Through this
book you will discover the three Rs for your Divine Reset based on Kingdom Principles and how you can apply them to reboot
your life Learn how to RELEASE Let go of your past Release your sins and struggles to God Be set free REFOCUS See or
perceive the New Thing that God is doing in and through your life Change your focus emphasis or direction RESTART Begin
again and gain clarity and direction for your new beginning I know it is not an accident that I am finishing this book of all
dates October 10 2020 10 10 has such a significant meaning for me coming from John 10 10 my life verse The thief comes
