Outsiders: Her Stories Abbie Merritt, 2021-05-10 The Outsiders journal unearths 10 beautifully simple stories told over 104 recycled pages of words and images Through an amalgamation of documentary photography and intimate articles each touching on sensitive subjects the project reveals the affinity people have for the outdoors In this specific edition Her Stories challenges the modern archetype of women in outdoor media and sparks a conversation about authenticity and role models in the natural world The edition consists of multidisciplinary interviews and artist collaborations told through 55 photographs and 8 illustrations This is a journal for anyone and everyone who shares a love for journeys and adventure told through a uniquely slow meaningful and authentic style that is often lost in modern journalism The purpose of this publication is to encourage more people to enjoy the outdoors and values everybody interested in the natural world As we look to the future we must envision the power that we have as environmental stewards to reconnect with nature and care for it [Toyota](#)
