...in search of THE HEALING PLACE D D Murray McGavin MD, 2024-08-06 MARTIN FAIR A wonderfully easy read something of a rollercoaster ride It draws you in evocative detailed and engaging Excitement comes rushing off the page as you see God at work in Murray s own life and in so many places throughout the book ALASTAIR PETRIE I strongly recommend in search of THE HEALING PLACE for all leaders and all readers a blueprint for life Murray McGavin is clearly a champion for all people in all nations A treasure of medical skill not only about physical sight but also a compelling wake up call for spiritual insight A timely publication SANDY MILLAR This is no ordinary biography At one level a fascinating and inspiring story of one man his family and a life lived to the full At a deeper level it is clear that Murray s whole life and approach to every situation as a senior ophthalmologist in Afghanistan and in many lands springs from his lifelong faith A book very hard to put down I wholeheartedly recommend it

High Noon in the Automotive Industry Helmut Becker, 2006-02-10 This book was born from curiosity To begin with it was the curiosity of an economist who studied in the 60 s in an environment which has subsequently developed from national into global economics Who has to recognize that politicians scholars and large segments of society oblivious to supranational authorities and e nomic globalization forces continue to labour under the notion that they are still fully autonomous and sovereign when shaping national economic policy And pretend as though their own national state were still the m ter in its own house that despite unbridled market economics could c tinue to dictate to the economy and companies how to live and in which rooms All that has become fiction The laws of globalization diminish the noeuvring space for shaping national economic policy Even if many folks today don t want to hear it The issue is no longer achieving what is soc politically desirable for the own society but rather the optimal adaptation of society and social benefits to the politically practicable

The Grinning Killer: Chris Halliwell - How Many Women Do You Have to Kill to Be a Serial Killer? Nigel Cawthorne,2018-07-12 In the early hours of 19 March 2011 22 year old Sian O Callaghan left a nightclub in Swindon to make the half mile journey back to her home She was never seen alive again The prime suspect in her disappearance local taxi driver Christopher Halliwell was arrested a few days later Seemingly an ordinary family man in reality Halliwell regularly visited sex workers and viewed incredibly violent pornography Chillingly he had once asked a fellow inmate during a prison sentence in the 1980s how many people it was required to kill in order to be a serial killer Not only did Halliwell admit to killing O Callaghan he then led police to the body of Becky Godden a sex worker who had been missing for eight years But as a result of an error in police procedure this couldn't be used to charge him with Godden's murder After a painstaking process of collecting new evidence he was finally sentenced to a full life jail term for the killings in 2016 However essential questions remain what happened in the eight years between Godden and O Callaghan's deaths Did Halliwell go quiet or are there other innocent victims yet to be found How far back could his killing spree go This is the terrifying and gripping true story of one of the most brutal serial killers in modern times and the catastrophic error that almost prevented justice from being served
