for 50 years On the spur of the moment Biggio asked Drago to sign the rifle Thus began this Marine s mission to find as many WWII veterans as he could get their signatures on the rifle and document their stories For two years Biggio traveled across the country to interview America s last living WWII veterans Each time he put the M1 Garand Rifle in their hands their eyes lit up with memories triggered by holding the weapon that had been with them every step of the war With each visit and every story told to Biggio the veterans signed their names to the rifle 96 signatures now cover that rifle each a reminder of the price of war and the courage of our soldiers
