whether it is better to have it rebuilt by a pro The process of recording the rebuilding of a T 84J transmission will hopefully help others who might want to rebuild their own Assembling the T 84J is really not difficult There are about 58 parts so it isn't rocket science It's just following the steps and asking for clarification when the steps aren't as clear as they could be So follow along as we tear into a T 84J transmission you can do it Catalog of Publications ,1990 *American Amphibious Gunboats in World War II* Robin L.
