Wages for Housework in the Decade of Women's Liberation Elizabeth Homans, 2008 **Feminists Who Changed America, 1963-1975** Barbara J. Love, 2006-09-22 Documents the key feminists who ignited the second wave women's movement This work tells the stories of more than two thousand individual women and a few notable men who together reignited the women's movement and made permanent changes to entrenched customs and laws *Encyclopedia of British and Irish Political Organizations* Peter Barberis, John McHugh, Mike Tyldesley, 2000-01-01 This major authoritative reference work embraces the spectrum of organized political activity in the British Isles It includes over 2 500 organizations in 1 700 separate entries Arrangement is in 20 main subject sections covering the three main p *Feminist Manifestos* Penny A. Weiss, Megan Brueske, 2018-04-03 A wide reaching collection of groundbreaking feminist documents from around the world Feminist Manifestos is an unprecedented collection of 150 documents from feminist organizations and gatherings in over 50 countries over the course of three centuries In the first book of its kind the manifestos are shown to contain feminist theory and recommend actions for change and also to expand our very conceptions of feminist thought and activism Covering issues from political participation education religion and work to reproduction violence racism and environmentalism the manifestos together challenge simplistic definitions of gender and feminist movements in exciting ways In a wide ranging introduction Penny Weiss explores the value of these documents especially how they speak with and to each other In addition an introduction to each individual document contextualizes and enhances our understanding of it Weiss is particularly invested in how communities work together toward social change which is demonstrated through her choice to include only collectively authored texts By assembling these documents into an accessible volume Weiss reveals new possibilities for social justice and ways to advocate for equality A unique and inspirational collection Feminist Manifestos expands and evolves our understanding of feminism through the self described agendas of women from every ethnic group religion and region in the world **Women and the American Left** Mari Jo Buhle, 1983 **Saving Time** Jenny Odell, 2023-03-07 NEW YORK TIMES BESTSELLER The visionary author of How to Do Nothing returns to challenge the notion that time is money Expect to feel changed by this radical way of seeing Esquire One of the most important books I've read in my life Ed Yong author of An Immense World A BEST BOOK OF THE YEAR Harper's Bazaar Esquire Chicago Public Library Electric Lit In her first book How to Do Nothing Jenny Odell wrote about the importance of disconnecting from the attention economy to spend time in quiet contemplation But how can we reclaim our time In order to answer this seemingly simple question Odell took a deep dive into the fundamental structure of our society and found that the clock we live by was built for profit not people This is why our lives even in leisure have come to seem like a series of moments to be bought sold and processed ever more efficiently Odell shows us how our painful relationship to time is inextricably connected not only to persisting social inequities but to the climate crisis existential dread and a lethal fatalism This dazzling subversive and deeply hopeful book

offers us different ways to experience time inspired by pre industrial cultures ecological cues and geological timescales that can bring within reach a more humane responsive way of living As planet bound animals we live inside shortening and lengthening days alongside gardens growing birds migrating and cliffs eroding the stretchy quality of waiting and desire the way the present may suddenly feel marbled with childhood memory the slow but sure procession of a pregnancy the time it takes to heal from injuries Odell urges us to become stewards of these different rhythms of life in which time is not reducible to standardized units and instead forms the very medium of possibility Saving Time tugs at the seams of reality as we know it the way we experience time itself and rearranges it imagining a world not centered on work the office clock or the profit motive If we can save time by imagining a life identity and source of meaning outside these things time might also save us
