Waiting For You Sparks In Texas :

Blue Collar Bad Boys Boxed Set Mari Carr, For the first time you can own five of Mari Carr's blue collar bad boy romances in one steamy anthology. It is a must have for fans of alpha bad boys who are VERY good with their hands. This special boxed set is an amazing way to test drive five of Mari Carr's most popular series including Italian Stallions, Wilder Irish, Big Easy, Falling Hard, and Sparks in Texas. Rough and Ready Gio is blessed with a big family and lots of friends. Unfortunately, there's an unspoken code amongst his buddies: one where sisters are off limits. That wouldn't be a problem if he and his best friend Rafe could stop thinking about Kayden's vivacious fun-loving little sister Keeley. They have always been stand up guys, but Keeley is so tempting, so sexy, that they're in danger of breaking all the rules. Wild Dreams: Oliver has always longed for a love just like his parents have: all three of them. He's certain he's already halfway to that happily ever after. His foster brother Gavin calls it wild, but Ollie knows the two of them can find the woman of their dreams. Erin is the curvy, spunky brunette neither of them saw coming. But fate has another wild card in store for them: one that will test everyone's faith in their very different dreams for the future. Waiting for Him: According to the bro code enacted by Evan and Logan years ago, sisters are out. However, Lacy isn't about to let a silly boyhood pact stand between her and the man she's wanted for twenty years. She's waited for him long enough. Logan thinks she's too sweet to give him what he needs. He's about to learn as far as Lacy's concerned: in bed or out, nothing is off limits. Falling Hard for the One Night Stand: Josie's life has become one long boring routine: Work, home, repeat. She has her hands full as a single parent, and while she's not looking for a serious relationship, she's sure she wouldn't mind getting laid. So she creates the Howl List. Every full moon, she will indulge in a different sexual fantasy. Fate leads her to the Blue Moon bar. When she meets Jake, the sexy bartender, and engages in some red-hot sex with a stranger, her plan seems to be off to a great start. Until Jake dares her to give him all her full moons. Blank Canvas: Disillusioned by divorce, Jennifer's about to discover her wild side, starting with a tattoo from Caliph. And continuing with submission spankings, wax play, all under the skilled hands of her wickedly sexy tattoo master. *We Fought the Good Fight* Wendell, 2011-10-13: It's World War II, and Second Lieutenant John Stanley McCalla is leading a Filipino gun crew out of Bataan. The Japanese are coming close, and American Filipino surrender is imminent. McCalla moves his troops to Corregidor, which soon becomes the next target on the Japanese rampage. Forced to flee, McCalla's crew heads into the forest and prepares to use guerilla warfare against their enemies. It's possible they could all die out there in the dangerous Philippine forest. In order to mount a particularly rugged hill, the team grasps hands and heads out in the dark of night. McCalla finds himself holding tightly to a small, soft hand that belongs to Third Lieutenant Isabel Ramos of the Philippine Nurse Corps. She fled with the soldiers, and now she's part of McCalla's command. The lieutenant can't believe it, but despite the horrors surrounding them and the threat of death by Japanese knife, McCalla finds himself falling for the beautiful Isabel. Perhaps it is the danger that holds them so tightly together. McCalla must keep his head clear: the war is certainly not over.

and they are fighting a losing battle Will reinforcements show up in time to save their lives or will love die tragically on a conquered island

Tom Waits on Tom Waits Paul Maher,2011-11-01 Tom Waits may just be what the Daily Telegraph calls him the greatest entertainer on Planet Earth He is also a shape shifter who over a span of almost four decades has restlessly transformed his song writing and persona not to suit the times but his own whims Along with Bob Dylan he stands as one of American music s last great mysteries Hundreds of journalists have sought to crack the Waits code but few have come close to piercing the myths that shroud him Tom Waits on Tom Waits is a selection of over fifty of his most intriguing interviews the majority of which have never been collected in book form before In each Waits shares something truly unique delivering prose as crafted poetic potent and haunting as his best lyrics Taken together they present a de facto autobiography of a notoriously guarded artist
