

The background of the entire page is a photograph. The top portion shows a bright, overcast sky with soft, white clouds. Below the sky, a young green plant with several broad leaves is growing out of a patch of brown, textured soil. The plant is in sharp focus, while the soil and the sky are slightly blurred, creating a sense of depth. The overall tone is natural and hopeful.

Seasons of Singleness Rhonda Armstead, 2023-12-26 I have often heard being single described as a season in life that will pass over time To imply this implies that singleness occurs as a pattern of events that come and go based on an allotted set of time a season Having been single all my adult life I began to challenge that theory First seasons are reoccurring without a known end to the recurrence Second seasons are predictive and start and end times are usually defined Third seasons only last for a specified amount of time Based on my personal experience this does not describe singleness While in my place of singleness I have found myself going through several cycles that are recurrent predictive and last for allotted periods of time These are the seasons of singleness As with climate and culture seasons I have learned that I must prepare adapt and adjust for the seasons I encounter while in my place of singleness

Waiting While You Wait Meagan Pinkney, 2015-03-14 Being a Christian that is single is a tough task in these times due to the tremendous amount of distractions all around. From the pressures of having premarital sex, being a size 0, and being alone on a Friday night while it is raining and there is nothing on the television while you are snuggled in bed alone, oh, sorry, focus are just a few things that can affect the productiveness of a single person in the Kingdom of God. In this book, I will share several personal testimonies from my journey as a single woman as I have learned to wait on God. When a single person yields themself to the Holy Spirit for the use of the Kingdom, you will be amazed by the testimonies you will be able to share. Instead of me forgetting all the wonderful supernatural things God has done in and through my life, I wanted to write all of them down to pass on to other single Christians. I believe it is an extremely important task to pass on to others what God can and will do for us if we learn to wait on Him like a waiter while we are in the process of waiting for marriage. The purpose of this book is to motivate singles to lean on God for everything, whether big or small. God loves us dearly, and He wants to see us prosper. Singleness is a beautiful thing and should definitely be valued as it is a blessing from God, whether you are single for a season or a lifetime.
