Wake Up Lazarus On Catholic Renewal:

Wake Up, Lazarus! Pierre Hegy, 2012-01-17 Today's Catholic Church faces a major decline and a dramatic renewal is needed to facilitate positive change. In *Wake Up Lazarus* author Pierre Hegy documents the most important issues facing modern Catholicism and presents a convincing argument for renewal in the Catholic Church. *Wake Up Lazarus* examines three general factors that contribute to the spiritual decline of all mainline churches and three factors that are special to the Catholic Church. Hegy describes the inner workings of two successful parishes: one evangelical and the other Catholic. To illustrate the strategies used that contribute to vibrant and growing church communities, he also reviews various renewal plans and then presents his personal long-term plan for renewal in the Catholic Church with practical implementation suggestions included in each step. Hegy communicates that the strategy and principles of Catholic renewal must lead passive Sunday churchgoers to become active participants; it must help active participants to become involved in parish life and it must inspire all involved to become committed disciples.

Wake Up, Lazarus! Volume II Peter Phan, Pierre Hegy, 2013-06-24 This book presents research in three new areas: Sunday liturgies, homilies, and pastoral concepts. First, it presents to the readers the major Latin American document *Disciples and Missionaries of Jesus Christ* which sets the course of the Church in Latin America for the next decade. Next, I present the findings about the Sunday liturgies in 100 churches: 50 in Guatemala and 50 in the U.S. The following chapter analyzes 100 Sunday homilies in comparison to lay talks/homilies by Fr. Robert Barron and evangelical sermons. In one more chapter, I discuss basic concepts for pastoral research. Chapter 6 discusses the consequences of papal centralization for church renewal. The last chapter outlines ten basic paths of renewal. What is new in this book is the research on Sunday liturgies, homilies, and pastoral concepts.

Lay Spirituality Pierre Hegy, 2017-10-03 Laypeople have a special mission in the church the way they have a special mission in society. In popular devotions, the laity created a form of spirituality that lasted for over a millennium. Popular religiosity is alive in Latin America and in US ethnic subcultures. Vatican II redirected lay spirituality toward the liturgy as the source and summit. We will visit a parish where this ideal is put into practice but in the wider church, the role of the laity came to be restricted to ecclesial ministries. There are at least four new forms of spirituality in the making. I will first describe a vibrant evangelical church attended by many former Catholics. Next, we will visit a Guatemalan parish where over a thousand parishioners meet weekly in homes and witness to the gospel in their neighborhoods. The charismatic renewal is a major force of renewal in Latin America and among US Latinos. Finally, the spirituality of social justice is alive and well in south Chicago. In sum, this book will introduce you to six or seven major forms of spirituality alive today. Each of them defines a special place and mission for the laity in the church.

Faith and Spiritual Life of Young Adult Catholics in a Rising Hispanic Church Thomas Gaunt, SJ, 2022-10-15 This book carefully explores the claim that young adults 18 to 35 are leaving Catholicism in the United States. According to primary empirical research, many young adults stay and do so living their faith in engaged ways. Most, however, do not do it in

the traditional context of the parish Young adult Catholics are living their faith and spiritual life largely in small faith communities ecclesial movements faith based affinity groups at home and through individual practice The description of research findings is supplemented by commentaries from leaders in evangelization and young adult ministry from both a theological and a sociological perspective In a church that is more culturally diverse and increasingly Hispanic this book offers key insights to better understand the spirituality of young adult Catholics today Contributors include Mark M Gray Michal J Kramarek Claudia Avila Cosnahan Allan Figueroa Deck SJ Hosffman Ospino Darius Villalobos Patricia Wittberg SC and Thomas P Gaunt SJ

Worship as Community Drama Pierre Hegy,2019-03-22 Church weddings funerals and most Sunday services reflect the values and dramas of their communities even when the ministers are the main or sole actors This point is illustrated by examples ranging from American television masses to the Zairean three hour services in the Congo Of greatest

interest to readers might be the Sunday services at ordinary parishes which also range from friendly but uninspiring to innovative and inviting There are also two exceptionally vital churches analyzed here an evangelical church in the Pentecostal tradition and a social justice parish in the tradition of Martin Luther King Jr Today one can hardly buy an item in a store or on the Internet without being asked for an evaluation yet church services are seldom evaluated There can be no improvement without evaluation This book proposes a method of evaluation in eight steps that must be rigorously scientific and at the same time offer a vision for spiritual growth The prophet Elijah found God in earthquakes and fire but most people find mystery through art music rhythm chanting expressive readings evocative rituals and enlightened homilies Today people expect mystagogy rather than routine performances Mystagogy can be learned and improved through evaluation to which this book desires to make a major contribution **Paperbound Books in Print** ,1991 *Lazarus, Come Forth!* John Dear,2011 The raising of Lazarus in John s Gospel is one of the most dramatic and poignant episodes in scripture While traditionally read as a story about friendship and faith Dear shows through his extended meditations how this story summarizes the persistent theme of the Gospel If Lazarus represents humanity the story of his raising is about the God of Life confronting the power of death itself calling humanity to walk out of the tombs of death the culture of violence and war and into the new life of resurrection peace According to Dear the Gospel urges us to carry on this liberating work of Jesus today to remove the stone that keeps us trapped in cultures of violence to call each other out of the tombs to unbind one another and set each other free to live in peace In pursuing this work we fulfill our vocations as disciples of Jesus and enter the fullness of life today *The Book of Lazarus* Allen E Goldenthal,2024-12-16 What if the Book of Revelation long revered as a cornerstone of Christian prophecy was never intended to be a Christian text at all The Book of Lazarus unravels centuries of theological mystery shedding unprecedented light on one of the most enigmatic texts in human history the Book of Revelation Author and scholar Dr Allen E Goldenthal offers readers an incredible journey into the depths of ancient Jewish apocalyptic literature delivering compelling evidence that challenges everything we thought we knew about the origins and purpose of this prophetic work For over two millennia Revelation has captivated and confounded scholars theologians and laypeople alike Its cryptic visions vivid symbolism and otherworldly prophecies have been interpreted as both a roadmap for the End of Days and a spiritual allegory for the triumph of good over evil But what if we ve been looking at it all wrong Here is compelling evidence that Revelation was originally part of the Jewish Apocrypha written by none other than Lazarus known in his Hebrew identity as Jochanan the beloved disciple The Book of Lazarus ventures where no scholarly work has dared to go By piecing together ancient Aramaic texts and known history Dr Goldenthal asserts a revolutionary thesis that Lazarus the man raised from the dead by Jesus lived on to become the enigmatic John of Patmos penning Revelation as a guide for his Jewish contemporaries Drawing from historical records linguistic analysis and other apocalyptic writings this book unveils the startling parallels between Revelation and Hebrew apocalyptic literature It reveals how the vivid visions of beasts

plagues and final judgment were deeply rooted in Jewish eschatological thought offering hope and resistance during a time of Roman oppression Far from a Christian apocalyptic vision Revelation emerges as a masterful work of Jewish apocryphal literature designed to inspire hope and resilience Lazarus after his miraculous return to life largely disappears from the gospel narrative In this meticulously researched book the author explores the likelihood that Lazarus s second life was one of profound spiritual and literary significance But how did this Jewish manuscript become a cornerstone of Christian scripture Revelation Unveiled traces this fascinating journey of the text from its Jewish origins to its adoption by the early church The book reexamines the identity of Lazarus presenting a compelling case for his dual role as the mysterious author behind one of history s most enigmatic works but also a man that at one time was destined for greatness Traditionally viewed as a Christian text Revelation takes on a strikingly different character when examined through the lens of Jewish apocalyptic literature by delving into the shared symbolism themes and structure of Revelation and earlier Jewish apocalyptic works such as the Book of Daniel and the Dead Sea Scrolls By situating Revelation within this rich literary tradition The Book of Lazarus uncovers its true purpose for the Jewish people in the face of continuous oppression Perhaps the most electrifying aspect of The Book of Lazarus is its reinterpretation of Revelation s prophecies as events that are yet to come While many view Revelation as either an account of first century events or a timeless allegory Dr Goldenthal argues that its true prophetic scope points to a future timeline spanning from 2025 to 2050 Through a detailed analysis of Revelation s symbols numerology and historical context the book reveals how its visions align with contemporary global events and challenges from geopolitical upheaval to technological advancements and the search for spiritual renewal The Book of Lazarus is a wake up call for our times By reinterpreting Revelation as a Jewish apocalyptic text with relevance for the modern world the book offers a powerful message that we will survive if we put our faith in God

Lazarus of Bethany Scott Douglas,2021-07-15 Discover the true miracle of Lazarus being raised from the dead Lazarus is an amazing story A man rose from the dead You just don t get any more awesome than that right So that s it then That s what we are supposed to learn from his resurrection right Not exactly Jesus performed lots of miracles John said it best when he said that there would not be room in the whole world to describe all that he did It s easy to look at the stories of miracles and see them for what they re worth miracles But that s a shame If the miracle is in the Bible there s a reason for it It s not just there because it was miraculous With Lazarus a man rose from the dead an amazing miracle no doubt But there s more to it than that There s a lesson to be learned Lazarus wasn t just a man who raised from the dead he had a life before and after his resurrection And Jesus didn t perform the miracle just to be flashy

A New Suit for Lazarus Joseph Battaglia,1991 From front cover The Christian life is not a hand me down expression of someone else s faith Jesus never calls anyone back from the dead to keep them bound up He calls them to freedom a unique identity and a renewed mind

The Truth About the Rich Man and Lazarus United Church of God,2014-07-14 The tale of the rich man and the beggar Lazarus is one of Jesus most well known parables It s also one of the

most misunderstood sections of the Bible What was Jesus trying to tell us through this parable Was He explaining heaven and hell and the afterlife Or was He trying to teach us something about how to live godly generous lives Read to find the answer Inside this booklet The truth about the Rich Man and Lazarus No one has ascended to Heaven Was the Parable of the Rich Man and Lazarus a Real Story The state of the dead The rich man in mental torment The wicked will be completely burned up Live a life of righteousness now
