Freeing Black Girls Tamara Lomax, 2025-03-07. In *Freeing Black Girls*, Tamara Lomax offers an insurgent feminist love letter to Black girls, women, mothers, and othermothers. Exploring what it means to mother Black children in the twenty-first century, Lomax shares her journey from her traditionalist Black girlhood to finding the path to revolutionary Black motherhood. Along the way, she shows how all Black people are endangered by white supremacist capitalist heteropatriarchal dominance and emphasizes the power of looking and talking back. Lomax insists on Black feminist ways of living that value and nourish whole persons, sketching a radical dream that will allow Black women and girls to survive America while being able to love themselves, others, and collective Black freedom. Ultimately, Lomax declares that Black women and girls are emphatically not defective, second class, or immanent nurturers; they are sacred and revolutionary beings who deserve to live a life free of predation, patriarchy, misrecognition, misogynoir, and violence.

Color of Violence INCITE! Women of Color Against Violence, 2016-09-02. The editors and contributors to *Color of Violence* ask: What would it take to end violence against women of color? Presenting the fierce and vital writing of organizers, lawyers, scholars, poets, and policy makers, *Color of Violence* radically repositions the antiviolence movement by putting women of color at its center. The contributors shift the focus from domestic violence and sexual assault and map innovative strategies of movement building and resistance used by women of color around the world. The volume's thirty pieces, which include poems, short essays, position papers, letters, and personal reflections, cover violence against women of color in its myriad forms, manifestations, and settings while identifying the links between gender militarism, reproductive and economic violence, prisons, and policing, colonialism, and war. At a time of heightened state surveillance and repression of people of color, *Color of Violence* is an essential intervention.
